

# WALNUT CREEK 7TH GRADE SUPPLY LIST

The supplies below will set your child up for success in seventh grade. We recommend that all 7th graders set up a homework or study area at home.

7th grade marks the beginning of secondary education and many students find that they need to dedicate more time outside of school to studying. Having a dedicated study space can help children develop good study habits.

## Supplies

- 4 x 1.5 inch binders (or 2") – one for each class.
- College ruled loose leaf paper– some in each binder
- 2 two-pocket folders (must be able to be 3-hole punched)
- A pack of divider pages (5 count)
- TI-30XIIS scientific calculator
- Earbud headphones
- Pencil case
- Writing utensils: pens and pencils
- Text marking utensils: colored highlighters, colored pens
- Science tools: scissors, glue sticks, colored pencils

\*\* Please note that a planner will be provided to your child and we prefer that the children use the one issued to them.

**Donations of tissues, hand sanitizer, and Clorox style wipes are greatly appreciated by all the teachers.**

**Thank you for helping us keep the children healthy!**
