DOCTORATE

An additional \$750 will be added to the annual contract rate for those employees who hold earned doctorate degrees (Ph.D., Ed.D.) from a college or university accredited by the Western Association of Schools and Colleges or an equivalent accrediting association.

SALARY COMPUTATION

The District adopts the school calendar that determines the number of days an employee is required to be in attendance. Computation of the daily rate, in accordance with Education Code §45041, will be the basis for payroll deductions or for a work period less than the normal full year.

PLACEMENT ON SCHEDULE

At the date of hire, each employee is required to submit to the Department of Personnel Office a complete set of transcripts to support placement on the salary schedule. Such placement will not be effective until these transcripts have been accepted and approved. Paychecks will be subject to withholding by the District if transcripts are not received within thirty (30 days) of employment.

Employees hired for the full second semester shall receive a contract for not less than 50% of their annual rate of pay as determined by proper step and column placement. Employees hired at any time during the school year other than the semester break will have their salary computed on a work day basis.

CREDIT FOR PREVIOUS TEACHING EXPERIENCE

Initial Step Placement for Teachers: New employees who have been employed in positions requiring certification in other school districts prior to employment in Riverside Unified are entitled to one (1) step on the salary schedule for every full year of such outside experience. The maximum allowance is fourteen (14) steps of such prior experience. Employees whose initial work year commences on or after July 1, 1986, and hold an appropriate California credential shall be given full credit for previous experience. A full year of credit will be given for a partial year of employment if it involves a full semester or more. Two (2) part time years would not count for more than one (1) year of credit.

Initial Step Placement for Nurses: Effective July 1, 2002, School Nurses shall be granted up to nine (9) years salary schedule credit as follows: One (1) year of credit for at least 75% of a full year of previous full-time experience within the last nine (9) years as a School Nurse, a public health nurse or as a licensed Registered Nurse in a hospital/clinic. In no case, however, will previous experience be credited unless the School Nurse held a bachelor's degree in nursing, and if said experience was rendered in a setting comparable to a school district as determined by the District.

Initial Step Placement for Speech Language Pathologists: Effective July 1, 2002, Speech Language Pathologists shall be granted up to nine (9) years salary schedule credit as follows: One (1) year of credit for at least 75% of a full year of previous full time experience within the last nine (9) years as a Speech Language Pathologist in a public school district, or as a licensed Speech Therapist/Pathologist in a hospital/clinic. In no case, however, will previous experience be credited unless the Speech Language Pathologist held a Bachelor's degree or higher in Speech, and if said experience was rendered in a setting comparable to a school district as determined by the District.

Service is recognized if it is determined by the District to be equivalent to public school service experience in private schools or parochial schools, which are accredited by the Western Association of Schools and Colleges or Ameri Corps or Peace Corps.

Only as stated subsequently will credit be given for military service:

1. Teaching experience done while in the service may be counted if it is considered

by the District to be equivalent to full time public school teaching.

2. When an employee of the District is called into the military service, he/she shall be guaranteed a position upon returning, and the District shall recognize the years in the military service as additional years of teaching experience.

RE-EMPLOYMENT OF PERMANENT EMPLOYEES

When any employee, who at the time of termination was classified as permanent, is re-employed after an absence of more than thirty-nine (39) months, the governing board shall classify such employee as probationary with only the rights and privileges to which this classification is entitled. Maximum salary placement for such employees will be the same as that for new employees.

When any employee, who at the time of termination was classified as permanent, is re-employed within thirty-nine (39) months, the governing board shall classify such employee as permanent with all the rights, benefits and responsibilities of a permanent employee. Salary placement will be one (1) step beyond that which such employee had at time of termination if beyond the maximum step allowable for new employees and within the current salary schedule.

PROCEDURES FOR SALARY RECLASSIFICATION

Employees planning to meet the requirements for a higher classification on the salary schedule effective with their August payroll should submit the form, "Request for Reclassification," to the Department of Personnel Office not later than June 30. Transcripts or verification of courses in progress, must be submitted to the Department of Personnel Office by August 30. Reclassification on the basis of courses in progress will be granted with the understanding that if transcripts of completed work are not furnished by October 15, the employee will revert to the appropriate classification and an adjustment will be made in the employee's salary.

A second opportunity for higher classification shall be instituted. Ten-month employees planning to meet the requirements for a higher classification on the salary schedule effective with their February payroll should submit the form "Request for Reclassification," to the Department of Personnel Office no later than November 30. Transcripts or verification of courses in progress must be submitted to the Department of Personnel Office by January 30. Reclassification on the basis of courses in progress will be granted with the understanding that if transcripts of completed work are not furnished by March 15, the employee will revert to the appropriate classification and an adjustment will be made in the employee's salary.

All course work must be approved by the District before it can be counted toward salary reclassification. The criteria for such approval be that the course completed must be taken at a college accredited by the Western Association of Schools and Colleges or an equivalent accrediting association; that the grade earned by the employee is no lower than "C"; and that the course content is such that the course is part of the employee's progress toward an advanced degree or acceptable as part of the employee's progress toward a specified California credential, or toward the employee's improvement of teaching methods, or evidences further study by the employee of a subject commonly taught in District.

New employees must submit a complete set of transcripts to the Department of Personnel Office within thirty (30) days of employment. Any work taken beyond the Bachelor's Degree at time of employment must receive the approval of the District in order to meet the requirements for initial placement and consideration for future salary reclassifications. This set of transcripts must remain in the employee's file.

INCREMENT

An employee completing service of a minimum of a semester under contract shall receive a step increment on the salary schedule if re-employed the following year.

Section 3 – Anniversary Increment

A. Definition

The Anniversary Increment is recognition of employees who, in positions requiring certification, have given satisfactory service to the District and community for many years. Service is interpreted as regular contract employment in a position requiring certification of not less than 60% of full-time; summer service is not applicable. District-granted medical or military leave shall be counted in the years of service.

B. Requirement

Service as an employee in the District in accordance with the definition above.

C. Stipend

1. At the beginning of the school year following the completion of nineteen (19) years of service in the District, an employee's contract shall include a 2.5% stipend.
2. At the beginning of the school year following the completion of twenty-three (23) years of service in the District, an employee's contract shall include a 5% stipend.
3. At the beginning of the school year following the completion of twenty-seven (27) years of service in the District, an employee's contract shall include a 7.5% stipend.

An employee who works 75% of any school year shall be given service credit for one (1) full year.

Section 4 – ROTC Instructors

ROTC instructors are entitled to compensation computed by the military branch of the individual, known as Minimum Instructor Pay (MIP), with a district contribution of half of the most current MIP. The district contribution will reflect any salary increases of the bargaining unit. If the MIP changes, the percentage of the raise will be applied to the new district contribution.

ARTICLE XI – HOURS OF EMPLOYMENT ADULT EDUCATION

Section 1 – Employee Work Hours

The lengths of the work year, work week, and work day, as well as the number of employees in Adult Education, are dependent upon fluctuations in average daily attendance, categorical funding changes and community needs. The District reserves the right to add to, reduce or eliminate the work hours of an employee in Adult Education based upon changes in average daily attendance.

Section 2 – Necessary Attendance

The District shall determine and notify teachers of the amount of student attendance necessary for the scheduling, maintenance and/or cancellation of any teacher's class no later than twenty (20) work days after the beginning of each school year. The amount will remain fixed for the remainder of the year.

Section 3 – Averaging Teachers' Classes

To attempt to maintain stability for permanent and probationary Adult Education teachers, class averaging will be applied by the District to the minimum class attendance amount needed prior to the reduction of any permanent or probationary teacher hours per week, which they have been assigned, over a period of fifteen (15) work days.

Section 4 – On-Site Time

Employees assigned as classroom teachers will be at the work site ten (10) minutes before the beginning of their first class and remain on duty at the work site, except for authorized break periods, until the end of their last class.

Section 5 – Benefits

- B. Within thirty-five (35) school days after the beginning of the school year, the Department of Personnel shall calculate the actual average class size district-wide in grades TK-6 by dividing the actual active enrollment in all regular District TK-6 classes by the actual number of full-time equivalent teachers assigned to instruct those classes. If the quotient is greater than thirty and one-half ($30 \frac{1}{2}$), the District shall employ sufficient additional qualified teachers to reduce that quotient to thirty and one-half ($30 \frac{1}{2}$).

If the maximum class size of twenty-seven (27) students creates a situation at any school, where to accommodate all kindergarten students, a combination class of kindergarten and first grade students would be created, such combination class may be avoided by exceeding the maximum class size of twenty-seven (27).
 - 2. The decision to exceed the maximum class size of twenty-seven (27) students shall be made collaboratively between the site administrator, specific teacher and the Association President or Association President's designee. Written approval must be received from

Any time the total enrollment in the set of five (5) classes taught by one (1) teacher exceeds one hundred seventy-five (175), the District, upon written request by that teacher, shall act to reduce the size of one (1) or more of the classes until the total enrollment in the five (5) classes is one hundred seventy-five (175) or fewer students. The total number of contacts shall not exceed 177.

The benefits that are expressly provided by Article XVI are the sole leave benefits that are part of this Agreement.

Section 2 – Definitions

Employees who are granted a Paid Leave of Absence for a semester or less will be returned to the assignment held by the employee prior to the commencement of the leave. Employees who are granted a Paid Leave of Absence for more than a semester will be returned to a position of like status and benefits. Employees on paid leave will receive credit for annual salary increments provided during this leave.
- B. "Unpaid Leave of Absence" means that an employee shall not receive wages and fringe benefits during the period of leave. However, the District will continue health benefits only, for thirty (30) days beyond the date that the unpaid leave commences. After thirty (30) days, payments for health benefits by the District will cease. Employees who are granted unpaid leaves for more than a semester will be returned to a position of like status and benefits upon completion of procedures indicating the willingness of the employee to return. Employees on unpaid leaves will not receive credit for annual salary increments provided during the leave.
- C. Employees who no longer have any sick leave benefits, and have failed to request a leave and are on an unpaid status, shall not receive wages and fringe benefits during their period of unpaid status. However, the District will continue health benefits only for thirty (30) days beyond the date that the unpaid status commences. After thirty (30) days, payments for health benefits by the District will cease. Employees on unpaid status will not receive credit for annual salary increments provided during this period.
- D. At least two (2) weeks prior to the end of any unpaid leave of thirty (30) or more calendar days, the employee on leave must submit in writing to the Department of Personnel Office notice of the employee's intent to return to work, or a request for further leave or a letter of resignation.

Section 3 – Sick Leave

- A. All employees employed on a ten (10) month basis shall earn ten (10) days of Sick Leave per school year. Employees on eleven (11) month contracts shall earn eleven (11) days of Sick Leave per year; and those employees on a twelve (12) month contract shall earn twelve (12) days of Sick Leave per year.
- B. A regular employee serving as a summer school employee for no less than fourteen (14) days shall receive one (1) additional day of Sick Leave per year if employed for a full summer school day or one-half ($\frac{1}{2}$) additional day if employed for one-half ($\frac{1}{2}$) a summer

school day or half of the session. Counselors shall receive one (1) additional Sick Leave day per year if employed not less than fifteen (15) days beyond their regular work year.

- C. Summer School: Summer school employees may not use more than one (1) day of Sick Leave during the summer session and will not be eligible for any other leaves in this Article. Unused summer Sick Leave shall be credited to the employee's regular sick leave balance.
- D. Sick Leave shall be cumulative.
- E. On the first day of every school year, every employee shall receive a Sick Leave allotment credit equal to the employee's Sick Leave entitlement for the school year. An employee may use such credited Sick Leave at any time during the school year.
- F. Employees who work less than full-time (day or year) shall earn Sick Leave on a basis proportional to that of a full-time employee in a similar position.
- G. Accrued Sick Leave shall be reduced only for time lost wherein the employee would otherwise be required to render service to the District.
- H. The District may require a physician's statement when an employee is absent for six (6) or more consecutive days. When such verification is required of a Sick Leave fewer than six (6) days, the District may only require the verification for good cause. In those cases where an employee is aware that he/she will be absent for twenty (20) days or more, the employee shall notify the site administrator of the situation and provide the District with a statement from the employee's physician confirming the disability and prognosis and an estimate of the anticipated term of absence. When that term is indefinite, a subsequent statement may be required by the District. In such cases and prior to the employee's return to his/her assignment, a statement from the physician verifying the employee can return to the employee's assignment, without detriment to health, must be submitted to the site administrator upon return of duty. The site administrator will forward the information to the Department of Personnel Office. At District expense, the District may require a statement from a physician of its choice verifying the employee's ability to perform the tasks entailed in the employee's assignment.
- I. An employee who uses Sick Leave, in order to keep an appointment with a physician or dentist, will have the time absent charged to Sick Leave unless the time absent is after the time of the last regularly scheduled student dismissal during a normal school day, or is prior to the beginning of the regular school day or in the last hour of a non-instructional employee's work day. Such leave shall not interfere with regularly scheduled faculty meetings or duty responsibilities, and the employee shall notify the site administrator in advance of such an appointment. The District may only require verification of the employee's attendance at the appointment for good cause.
- J. An employee may utilize Sick Leave for disabilities caused or contributed to by pregnancy and recovery.
- K. If an employee is quarantined by the County or City Health Department of his/her county or city of residence because of the illness of another person, the absence shall be a paid leave and shall not be charged to Sick Leave. In all other circumstances involving quarantine, the

employee shall use Sick Leave. In all cases, the District shall require that the employee provide written verification of quarantine and the dates thereof from the controlling agency. Without such verification, the absence may be unpaid.

L. The District shall provide each employee with a written notification of the employee's total accrued Sick Leave, including the Sick Leave entitlement for the school year. Such statement shall be provided no later than November 1 of each school year.

M. When an employee has used all or a portion of the Sick Leave allowable and subsequently fails to serve the District for the full school year, an appropriate dollar amount shall be deducted from the employee's final salary warrant. The appropriate amount shall equal the employee's daily rate of pay times the number of Sick Leave days used but unearned.

N. Extended Illness Leave

1. During each school year, when an employee has exhausted all available Sick Leave, including all accumulated Sick Leave and continues to be absent from his/her duties on account of illness or accident for an additional period of five (5) school months, whether or not the absence arises out of or in the course of the employment of the employee, the amount deducted from the salary due him/her for any of the additional five (5) months in which the absence occurs, shall not exceed the amount paid for a substitute employee, employed to fill his/her position during his/her absence, but in no case shall this amount be less than fifty percent (50%) of the employee's regular salary.

2. For purpose of Section 1 above:

(a) The Sick Leave, including accumulated Sick Leave, and this five (5) month period shall run consecutively.

(b) An employee shall not be provided more than one five (5) month period per illness or accident. However, if a school year terminates before the five (5) month period is exhausted, the employee may take the balance of the five (5) month period in the subsequent school year.

3. This Section shall be applicable whether or not the absence from duty is by reason of a leave of absence granted by the District.

4. When an employee has exhausted all available Sick Leave, including accumulated Sick Leave, and continues to be absent on account of illness or accident for a period beyond the five (5) month period provided pursuant to Ed. Code 44977, and the employee is not medically able to resume the duties of his/her position, the employee shall, if not placed in another position, be placed on a re-employment list of twenty-four (24) months, if the employee is on probationary status, or for a period of thirty-nine (39) months if the employee is on permanent status. When the employee is medically able, during the twenty-four (24) or thirty-nine (39) month period, the employee shall be returned to employment in a position for which he/she is credentialed and qualified. The twenty-four (24) month or thirty-nine (39) month period shall commence at the expiration of the five (5) month period provided pursuant to Ed. Code 44977.

Section 4 – Industrial Accident Illness

Employees shall be granted paid leave for absences caused by Industrial Accidents or Illness. Employees are covered by Workers' Compensation Insurance for any injury or illness arising out of, and in the course of, their employment.

- A. Total allowable Leave shall be sixty (60) days during which the schools are required to be in session or when the employee would otherwise have been performing work for the District.
- B. Leave will begin on the first day of absence after the date of injury.
- C. Industrial Accident or Illness Leave must be authorized in writing by a physician.
- D. Industrial Accident or Illness leave shall be reduced by one (1) day for each day of authorized absence.
- E. An employee shall be deemed to have recovered from an Industrial Accident or Illness and thereby able to return to work with reasonable accommodation at such time as the attending physician verifies there has been a recovery. The District, at its own expense, may request the opinion of another physician.
- F. During the first sixty (60) days of Industrial Accident or Illness Leave, the injured employee shall be paid his full salary.
- G. When an Industrial Accident or Illness Leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused Leave due such employee for the same illness or injury.
- H. When entitlement to Industrial Accident or Illness Leave has been exhausted, all Sick Leave benefits accrued as an employee may commence, in accordance with this Agreement.
- I. Following the expiration of the sixty (60) days Industrial Accident or Illness Leave, regular Sick Leave may be used. If the employee receives Workers' Compensation benefits while on Sick Leave, such employee will receive that portion of Sick Leave pay which, when added to the temporary disability benefit, will equal the employee's regular salary.
- J. During periods of accident or illness, any employee receiving benefits as a result of this Section shall remain within the State of California. Approval for travel outside the state must be obtained from the District. Failure to obtain such approval may result in a loss of benefits as provided in this Section.
- K. An employee report of Industrial Accident or Illness must be on file in the Department of Personnel Office.
- L. Modified Work Program
When an employee with an Industrial Accident or Illness is determined by the attending physician to be able to work with restrictions, the following shall occur:

1. A conference will be held to include the employee, the employee's site administrator and a representative of the Risk Management Office to determine if the employee can return to his/her regular job within the restrictions. An Association representative shall be present if requested by the employee.
2. If it is determined by the site administrator and Risk Management that the employee cannot perform his/her regular assignment, consideration will be given to a modified position within the restrictions at the regular work site that the employee could fill on a temporary basis.
3. Should no appropriate assignment be available at the employee's regular work site, a temporary assignment within the restrictions will be identified elsewhere in the District for the employee. The employee shall be entitled to twenty-four (24) hours notice prior to beginning an assignment. A different assignment on the following work day would only require notification prior to the end of the current work day.
4. Refusal of an assignment within the physician's restrictions will stop leave eligibility if the assignment is the same as the employee's regular assignment.
5. The employee shall not be required to work a temporary assignment if it is for less than the employee's regular assignment.
6. The employee shall be paid the same rate of pay as though the employee was working the employee's normal assignment.
7. The Modified Work Program will be written and signed by all parties.

Section 5 – Health Leave

- A. An employee shall be granted a leave of absence without pay for reasons of health. Such leave will be for a period no longer than one (1) year. A Statement of Need by a physician is required with the written request. The District may obtain, at District expense, the opinion of a physician chosen by the District. Probationary or permanent status of an employee requesting Health Leave will not be affected if the provisions for request are fulfilled. An employee may be granted, upon request, a shorter period of leave if such is considered by the District to be in its interest, and such leave is consistent with the Statement of Need.
- B. The employee shall notify the District of the employee's intended return date at least two (2) weeks in advance of the expiration date of the leave. Failure to provide such notice may be cause for termination.
- C. The request to return from a Health Leave shall be accompanied by a statement from the employee's physician indicating that the employee can return to full-time employment without detriment to the employee's health. The District may request, at District expense, the opinion of a physician chosen by the District.
- D. An employee on Health Leave for twelve (12) months or more shall be placed on a reemployment list at the expiration of the Health Leave. Such an employee will remain

eligible for re-employment for thirty-nine (39) months. At the end of that period, the employee's employment rights shall end. Should the employee be able to return to work during the thirty-nine (39) month period, the employee will be returned to regular status, upon request, at the beginning of the next school year or earlier if a position exists for which the employee is qualified.

Section 6 – Maternity Leave

Absence from the job for disabilities caused or contributed to by pregnancy and recovery are treated the same as any other short-term or long-term temporary disability or illness.

- A. Pregnant employees do not need to provide the District with a physician's statement to remain in the job at any time prior to childbirth, unless the employee's performance of duties is affected by her condition.
- B. Paid Sick Leave may be used for absence due to pregnancy. Absence preceding childbirth which exceeds six (6) days may require a physician's statement. Absence for six (6) weeks or less following the birth does not require a physician's statement; absence which exceeds six (6) weeks will require a physician's statement for the employee to continue to be eligible for sick leave status. If accrued Sick Leave is exhausted during the period of sick leave eligibility, the employee will receive extended sick leave benefits of not less than half pay.
- C. For normal pregnancy, most physicians release employees to return to work no later than six (6) weeks after childbirth. Generally, in the absence of a physician's statement that the employee's condition would prevent her from returning to work, the Department of Personnel Office will assume that six (6) weeks after childbirth the employee is no longer "disabled" and is, therefore, no longer eligible for sick leave benefits. Should the employee wish to remain off work for a longer period of time for such purposes as child rearing, nursing, illness of the child and the like, an application for Parenthood Leave, which is an unpaid leave, should be submitted to the Department of Personnel Office. Such leave is normally granted for not less than a semester or for the remainder of the semester in which it begins. An application for Parenthood Leave prior to childbirth should request that the leave begin "at the expiration of sick leave benefits."

Section 7 – Parenthood Leave

- A. At any time during the eight (8) months prior to becoming a parent or within thirty (30) days thereafter, an employee who is not eligible for or does not wish to use Sick Leave for pregnancy may be granted an unpaid leave of absence under this Section. The employee's request shall be made in writing at least ten (10) school days prior to the anticipated starting date of the leave.
- B. A leave under this section shall normally be granted for not less than a full semester or for the remainder of the semester in which the request is filed. The District may grant a shorter leave when requested by the employee.
- C. If an employee is granted leave under this Section and, after the leave is granted, the employee desires to return to work prior to the end of the leave, the employee may request immediate reinstatement to a position of like status and benefits. The District shall grant

such a request when there is a vacancy for which the employee is deemed qualified by the District. At the time the leave would normally have ended, the employee shall be reassigned to the position held at the time the leave was granted, provided that the staffing at the previous school has not been reduced.

Section 8 – Adopting Parents Leave

The District shall comply with the requirements of the State Family Care and Medical Leave (CFRA) and Federal Family Care and Medical Leave Act (FMLA) pursuant to applicable State and Federal laws. The interpretation and implementation of these FMLA provisions shall not diminish any contractual benefits afforded all eligible employees. Additional parental leave may be taken through Section 7 above.

Section 9 – Disability Leave

- A. Any employee receiving disability allowance from the State Teachers' Retirement System shall be placed on an unpaid leave status for a period not to exceed thirty-nine (39) months. At the end of the thirty-nine (39) month period, the employee's employment rights will end.
- B. If, during the thirty-nine (39) month period, the STRS determines that the disability no longer exists, the employee will be returned to regular status upon request at the beginning of the next school year.

Section 10 – Family Care and Medical Leave

The District shall comply with the requirements of the State Family Care and Medical Leave (CFRA) and Federal Family Care and Medical Leave Act (FMLA) pursuant to applicable State and Federal laws. Two (2) additional days will be granted to an employee if travel of more than 200 miles one way or out of California is required because of the death of any member of the employee's immediate family.
- B. Any additional days requested beyond those provided by the Bereavement Leave policy must be handled through the provisions under the section Personal Necessity Leave.
- C. 1. "Immediate Family" means those relatives or step-relatives bearing the following relationships to the employee claiming Bereavement Leave or to the employee's spouse or registered domestic partner.

Mother	Son	Brother	Grandparent	Grandchild
Father	Daughter	Sister	Aunt	Uncle
Spouse/Registered Domestic Partner	Niece	Nephew	Step Child	Son-in-law
Mother-in-law	Father-in-law	Brother-in-law	Daughter-in-law	

2. Any person living in the employee's household shall be deemed to be a member of the immediate family.
- D. An employee may request approval from the Department of Personnel Office for Bereavement Leave to be used in relation to the death of relatives not designated as immediate family. The decision of the Department of Personnel Office to grant or deny such approval shall be final.

 8. The birth or adoption of a child.
 9. Other Personal Necessity must be approved by the site administrator and Department of Personnel.
- B. Limits and Conditions: The following limits and conditions are placed upon allowing a Personal Necessity Leave and Personal Necessity Leave pay:
 1. The days allowed shall be deducted from and may not exceed the number of full paydays of Sick Leave to which the employee is entitled.
 2. Personal Necessity Leave shall not be granted during a scheduled vacation or a leave of absence.
 3. Payment for such absence shall be made only upon completion of a written report by the employee to the District stating that the absence was due to a situation designated as a personal necessity within the meaning of this section. The District may deny the employee's request if the leave was not a personal necessity within the meaning of this section.

Section 13 - Personal Business Leave

Employees shall be eligible to use up to four (4) days of unrestricted Personal Business Leave per each school year, to be deducted from any available Sick Leave days accrued. Employees shall be required to give the District reasonable advance notice to use such Personal Business Leave. Such days shall not be used to extend holidays, scheduled recesses, or on any student release day.

- C. An employee granted an Unpaid Personal Leave by the District may purchase any insurance plan he/she has in force the day before the leave begins unless the carrier of the employee's insurance plan prohibits such sale. The period for which such purchase may be made shall be subject to the carriers' limitations.

Section 15 – Jury Duty Leave

When an employee is on jury duty, that employee shall receive his/her regular earnings, provided that the employee reimburse to the District the jury duty fees received by the employee. The employee may retain any mileage reimbursement. The employee will be released from work without loss of pay for the required hours of jury service. When an employee is selected to serve on a jury, which is expected to serve for more than two (2) weeks, the District will make reasonable efforts to secure an appropriate substitute who will serve for such period in an attempt to provide continuity for the class assigned to the teacher on leave. If an employee is serving jury duty and has been released for part of a day, the employee shall report immediately to his/her site administrator and continue service for the remainder of the work day, unless such release is after 1:30 p.m. The District and the Association shall recommend to all District employees that they request that jury duty service be deferred to non-work days.

Section 16 – Court Appearance Leave

- A. An employee subpoenaed by the court as a witness in any court action involving the District, or subpoenaed as a witness because of their District duties, shall suffer no loss of compensation for the time they are required by the court to be away from their District assignment.
- B. An employee subpoenaed by the court as a witness in a case that is not directly related to the employee's employment in the District shall, upon request, be granted Personal Necessity Leave. If they elect to return to the District upon honorable discharge, their placement on the salary schedule will be made with consideration given for the years served during this Military Leave.

In all cases when an employee is ordered to duty during the normal school year, a copy of the orders affecting such leave must be provided for the employee's records in the Department of Personnel Office. This must be accomplished prior to the actual beginning date of such leave. Reserve duty is usually for two (2) weeks, and this absence will not cause loss of pay.

Section 19 – Study Leave

- B. Semester leaves may be granted under this policy if the request is given prior to November 1 for the second semester and June 1 for the first semester, and a suitable replacement can be secured.
- C. Employees must provide the District with written notice no less than thirty (30) days before the expiration date of the leave, or before May 15, whichever is earlier, of their intention to return. Failure to notify the District will be considered as notice that the employee will not return, and the employee will be terminated.

Applicants not in the employ of this district shall not be hired for any summer school teaching position for which there is a qualified district employee available with recent experience teaching in that subject area; (i.e. math, science, social studies, etc.). Current employees with clear credentials appropriate to the position shall be hired before applicants with emergency credentials. When there are two or more current employee applicants with clear and appropriate credentials, priority shall be given to the one with recent (within the past three (3) years) experience or special training in the course to be taught. Whenever, in the judgement of the site administrator, the instructional hours of a full-time permanent employee's assignment can be accurately estimated annually, that employee shall be paid an annual salary for the work year. This salary shall be paid in equal monthly installments. The salary shall be computed by multiplying the hourly rate appropriate to the individual employee by the total number of instructional hours in the annual assignment of the permanent employee. If enrollment or funding changes force the diminishment of a permanent employee's teaching assignment, and there is no other appropriate class to which the permanent employee may be assigned, then the permanent employee's annual salary will be diminished in proportion to the reduction in instructional hours. Permanent and probationary employees who are actually teaching in one or more Adult & Alternative Educational Services classes and who serve as Adult & Alternative Educational Services substitutes, day or evening, will be paid on their correct column and step placement for substituting according the schedule on this page.
