## ***Wonder***

by R. J. Palacio

August Pullman was born with a facial deformity that, up until now, has prevented him from going to a mainstream school. Starting fifth grade at Beecher Prep, he wants nothing more than to be treated as an ordinary kid—but his new classmates can't get past Auggie's extraordinary face. *Wonder*, a #1 *New York Times* bestseller, begins from Auggie's point of view, but soon switches to include his classmates, his sister, her boyfriend, and others. These perspectives create a portrait of one community's struggle with empathy, compassion, and acceptance.
