GENERAL INFORMATION

Rochambeau offers safe bus stop location choices, which are dictated primarily by safety concerns for the students when getting on and off the bus, which means factoring street sizes, sidewalks, traffic, number and age of the students, and duration of the route.

The school is using a centralized stop system to serve all our families. We have an obligation to have the students at school within an hour of the first pick-up, so the centralized system is the only option. The first two weeks are important to establish the correct time for pick up. Please be advised that the times might change after the second week. Information will be sent ahead of time to the families affected.

Audio and Video surveillance, as well as GPS Tracking devices, are used on the buses.

It is strictly prohibited to use a school bus without prior notification to the Transportation Department, either by

- Enrolling in the Yearly Transportation Service
- Emailing the Department at: *transportation@rochambeau.org*

Students must respect all Transportation Rules to be permitted to ride the bus.

As we embark on this new academic year, we would like to share a few important reminders to ensure a smooth and safe start:

- **Student Identification:** When you are picking up your child, please ensure you have a clearly **readable sign with your child's first and last name for easy identification**. This will help the bus monitor dismiss the student to the correct family.
- **Dismissal Time:** On Monday, all students will leave at 3:40 p.m. Please be at the bus stop on time and ready to meet your child as they disembark.
- **Safety Precautions:** For the safety of all, please refrain from allowing your child to run to your car or location. This can be dangerous, as they may not be visible to other vehicles.
- **No Snacks on the Bus:** Kindly ensure your child does not eat on the bus. This is a strict rule to avoid potential allergic reactions, as we have an increasing number of students with food allergies.
- **Punctuality:** It is crucial to be at the bus stop five minutes before the scheduled arrival time. This helps maintain the bus schedule and ensures that all students have a smooth start to their school day.
- **Communication via Edulog Parent Portal App:** All updates regarding bus schedules, delays, breakdowns, and switches will be communicated through the Edulog Parent Portal App.

  To download the app:

  - Go to the App Store on your cell phone.
  - Download the Parent Portal Lite (yellow) app.
  - Follow the registration steps.
  - Enter the district number: 39861266.
