

Northeast Elementary School

June 9, 2025

Dear Northeast Families,

As we wrap up another wonderful school year, we want to extend our heartfelt thanks to our incredible teachers, dedicated staff, and all of you—our supportive families—for your partnership, encouragement, and collaboration throughout the year.

To our amazing fifth graders: congratulations as you move on to the next exciting chapter! We are so proud of you and will miss you dearly. Carry all you've learned here at Northeast with you, and know that you'll always be part of our school family.

To all our students: have a fantastic summer filled with fun, laughter, learning, and special time with friends and family. We can't wait to welcome everyone back in the fall!

School Changes?

Believe it or not we are actively planning for the 2025-2026 school year. If you know that you are moving, have moved or are changing schools, please call the main office and let Soraya or Linda know. They will let you know the important next steps so that your child is appropriately transitioned or exited. If you are moving to a Stamford Magnet school, then we already know and you do not need to call.
