

Interview Tips and Ideas

- Before the interview-
 - Research the company
 - Research the position
 - Practice answering interview questions
 - Example interview questions
 - Tell us about yourself
 - Describe your strengths
 - How would you describe yourself
 - How would others describe you
 - Tell me about your experiences related to the job
 - Do you work well with other people
 - How do you handle stress and pressure
 - What do you know about this company
 - Why should we pick you
 - What questions do you have (you should prepare one or two questions)
 - Review your personal information and resume
- Bring a copy of your resume
- Be well groomed- shower/bathe, brush your teeth, fix your hair, wear clean and somewhat dressy clothing (nothing revealing)
- Be on time
- During the interview
 - Be polite
 - Maintain eye contact and sit up straight
 - Be positive

- o Stay calm
- o Do not chew gum or bring a friend/family member with you into the interview
- o At the end shake hands and thank them for meeting with you
- After the interview
 - o Send a thank you note showing again, your interest in the position.
