

Metro RESA

Office of Whole Child Supports

WHO WE ARE

The Metro RESA Whole Child Supports Team believes that a strong foundation for academic success and achievement starts with addressing the whole child. Through collaboration with districts, schools, and communities, we work to remove barriers and build capacity, ensuring that every child's academic, behavioral, and well-being needs are met.

Our team brings a wealth of knowledge and diverse experiences to this work. We provide technical assistance, coaching, and professional learning tailored to whole child supports.
