Dear Mr. Hunter,

The Casa Blanca Community Action Group has been made aware of your letter regarding your concern about the Riverside Unified School District's Board of Education decision to enter into an agreement for the purchase of 9.83 acres located at 7351 Lincoln Avenue for the price of \$7,750,000.00 (aka, the Casa Blanca Neighborhood School).

We have held numerous meetings with district staff as well as board members who have undoubtedly held discussions with legal staff throughout the beginning phases of planning for acquiring this property and ensuring that Measure O funds could be used for this purpose as well as other projects planned by RUSD.

As you well know, this has been a long time desire of the community to bring back a neighborhood school and we are at the point where this is close to becoming a reality and we do not appreciate your threats or intimidation with allowing this project to move forward.

We ask that you, as a Taxpayers Organization Representative, cease and desist any and all invalid claims that you have stated in your letter that may arise should this project continue. We ask that you instead show your support to our community and the district for their efforts to bring this neighborhood school back into the community after more than 50 years. By doing so this will allow school aged children, not only from Casa Blanca, to attend a high quality elementary school and succeed academically and prepare for full and productive lives.

Respectfully,

Cynthia Mendoza- Collins, President
Casa Blanca Community Action Group (CAG)
