Absent Board Members:

Also present were Tara Lere, Sara Allen, Jennifer Hall, Dani Boyd, Kaylee Giulio, Gabrielle Hensyel, Carly Green, Boone Giulio, Glenn Sailors, Tyler Petty, Heather Stockton, Norma Campbell, Khrist Rojas, Jennifer MacMillan, Marcus Lowley, Dylan Brown, Preston Spottedhorse,

Consent Agenda
Ida "J.R" Gustin moved to approve the Consent Agenda (Exhibit "A") as presented with the revised personnel report. Chris Smith seconded. All other members voted yes.

Communications: Strategic Planning: Tara just wanted to do an update, and they met on the first plan and looked at 5 different focus plans. The next meeting is May 21st 3:30p.m.-6:30p.m.

Public Comment: None.

Recognition of Guests

HS ASB: Dylan Brown- Mostly getting ready for Prom which is Saturday night. On Saturday they will go to the Circling Raven to decorate in the morning and as well as possibly Friday night. The theme is Princess & the Frog.

Senior Trip Final Report: Dylan, Preston & Marcus: they talked about the free buffet Preston said he grabbed something every time they walked by the buffet. Preston did the wildlife safari on a boat for about 40 minutes to a different Tribe's Island and for example they don't have a Chief, their tribal ID's are different then ours. They also tried Reindeer Sausage. Other students went to Culture events and shows. First time for everyone of them to go to Canada. Marcus said his excursion was all you could eat crab. Michelle asked them what their favorite thing was: Marcus said the crab and hot tube, Preston said basketball. 14 Students attended and 5 adults. They talked about the magic show and Samantha

was a volunteer and had a stamp transferred from the magician's hand to Samanthas. Dylan went Fishing and didn't really catch anything. Sunni & Herbert went to a Totem Museum.

Attendance Specialist Report: Boone Giulio presented the attendance report. Since last month everyone has climbed but the LES. Big improvement from February to March and again March to April was big as well for the High School. Boone talked about making phones and setting up incentive plans. Setting small goals each week to help those students that have lower attendance percentages. Students are asking Boone what their attendance percentages are.

Trade & Industry Report: Glenn updated the board and said the shop is turning out projects. They were hired from the gentleman below the shop and asked if our kids could cut out parts for these projects. Did some parts for Layne Morris's grandfather, have been working with USDA for crop signs. FFA is going to state soon. FFA is working on a project in Miller Court for Wrestling metals in the arch.

Middle School & High School Data Information: Gabrielle presented her middle school data as presented: will 83.6% in June 2024 with a goal to be at 90% by June 2025 for attendance. They are currently at 84.89%. Gabrielle talked about the house system and how the house points are earned, daily, weekly and monthly. Gabrielle talked about her discipline referrals, and they have a goal that they will decrease referrals by 40% from 367 to 220 by June 2025. 7th grade had a 70% shift in disciplinary actions. They are trying to catch the kids with D's or lower so they can provide more help for those students. They have setup a new ticket system to help students get more tickets by having tickets attached to they missing assignments and helping them to learn more and not get D's or F's. Ticket Tuesday and if they still have tickets by the following week they don't get an extra recess. If they had everything done, they could get another recess and even their phone.

Jen Hall presented her High School Data as presented: She showed the board that our ELA ISAT scores were recognized by the Idaho Capacity Builders at the State level. Jen also presented raw data for each grade level. 9th grade is the largest: aren't really a challenging group, all students that have IEPs go to a math class then go to a remedial math class and possibly looking at ELA as well. 10th grade is our largest transfers in this year. Attendance is the main issue with the 10th grade. 11th grade we have 2 new transfers in this year, attendance and a few in credit retrieval, currently we only have 2 at risk. 12th grade we have 3 at risk and 2 that will not graduate this year, we had a senior drop out and then returned on Monday but will not be on track to graduate. Attendance is still an issue. 60 of our 127 students have missed at least 1 day from January 1st through April 30th due to bereavement. Marimn health will be starting this week doing a circle of grieve at lunch for those who want to attend. 18 test back of the juniors and 39% proficient and 11% that scored 4 which the highest(advanced) for ELA.

Superintendent's Report: Tara presented her report as presented.
Levy: Presented the levy slides from the townhall meeting.
Legislative update: Tara presented the Legislative updates.

New State Graduation Requirements: Tara presented the new state graduation requirements for just informational for now. Digital Literacy requirement for all students starts in 2028 to complete a digital literacy course, credit flexibility starts July 1st 2025. For example, if a student takes graph design but needs an art credit they can use that. Future Readiness Project takes the place of a senior project which starts with the class of 2028. For example, say you're in FFA and you did a big project in 9th grade that could be apart of their senior project. Paul wanted to know who will be policing this and deciding what qualifies and what doesn't qualify.

Tara would like to work remotely from Minnesota while her daughter has the baby. Induction date of June 18th assuming she doesn't go into labor early. She has sick leave and vacation days.

Board Business

- **Greenhouse Bid Approval:** Glenn will call the Greenhouse bid company and see if we can at least get the site preparation slab not the actual building. He will also get updated pricing. Tabled until next meeting.
- **District Calendar Approval 2025-2026:** Tara presented a PLC & Lakeside Slideshow exhibit " ". Tara also played a video called All things PLC, All in one place. Kaylee stated the only change is the hours going back to what they currently are, and the other is exactly what was presented that month. This calendar has to be submitted to the State by May 30th and Michelle Renfrew is also being held up on submitting her applications for Child Nutrient. Kaylee is up to any and all changes or suggestions. Tami mentioned that she is worried about the paras, food service, transportation departments being cut as most of them are living pay check to pay check. Kaylee mentioned that Carly had an idea about building a set amount of activity trips into their contracts. Chris asked the admin staff how they honestly feel about the 7:55-3:00p.m. calendar. Dani said what we currently are doing isn't working and we need to try something different as they don't have enough time to plan. Gabby stated that she needs to work with Elementary and High School staff. Jen stated her perspective she had to build it into her schedule called power up and they had to cancel because they didn't have the staff. Jen said this calendar is not much different then the previous calendars that had early releases every other Wednesday PD's. Tami stated that she is more comfortable with 8:00 to 2:40 and she would like to see the data at the end of the year to see if it is working. Ida moved to approve the 2025-2026 school year with a start time of 8:00a.m. with the week of June 8th through June 11th off. Chris Smith seconded. Paul has a comment and said this is not an easy pill for him to swallow. He informed the admin team that they have done a very good job in trying to sell this calendar to the board. All other members voted yes.
- **Electronic Board Document/ Policy Software Approval:** Paul has a comment on this item that he would say is that with the uncertainty of our levy it is probably not a good thing. Tabled until next the meeting.
- **Technology Student Association Out of State Travel to Nationals:** Carly asked if it was ok for them to go to Nashville. Jan moved to approve the out of state travel. Ida seconded. All other voted yes.
- **Family Consumer Science Travel Out of State for Cooking Class:** Jan moved to approve the family consumer science. Ida seconded. All others voted yes.
- **Open Campus Lunch Proposal High School:** Carly would like to open the campus for 9-12th grade instead of 11th & 12th grade. Jen recommends you either open it up or close it all the way down. Ty asked if this will help attendance or make it worse. Tabled until next meeting.

- **Application for In-Lieu of Transportation:** Heather explained Student A's. Chris moved to approve the application for in-lieu of transportation. Tami seconded. All others voted yes.
- **Code of Ethics:** No action taken at this time. Ida asked how it is tabled, tabled, tabled and now it is no further action please explain. Paul Daman stated that we can not force trustees to sign this code of ethics. Paul also stated we will need to look at some of wording in the code of ethics policy.
- **Idaho Education Law Conference:** Chris, Tara, Kaylee & Sara attended the Idaho Education Law conference. Chris talked about the new Library law.
- **Policy Review 2400-2800 Series:** Kaylee presented the 2400-2800 series for the 1st reading. There is one change to policy 2700P.

Items for Future Agendas

Policy Review 2400-2800 Series 3rd Reading	Amended & New Budget Hearing
Surplus	Student Handbooks
