Meeting Agenda/Overview

- Provide an overview of African Centered Curriculum
- Review relevant data aligned to program
  - Impact
  - Demand
  - Facilities
- Gather feedback from the Programs Subcommittee to inform next steps

- Agenda
  - Welcome
  - Confirm norms/charge sheet
  - Identify spokesperson for share out
  - Follow up from the first meeting
  - Process review
  - Program Overview
  - Facilities & Operational Data

Outcome

Principal Chris Robinson presented an overview of the African Centered Curriculum at Oakton Elementary. His presentation included data from the ACC students as well as data from the entire school. Data presented included academic, SEL and programmatic demand. The programmatic demand data showed what ward students live in and attend ACC at Oakton.
