Overview:

Members of the JEH/ECC Team (Principal Parham, Alexandra Ware and Catrina Jones) were joined by Schools Chief, Dr. Charmekia McCoy. They presented information about the multiple programs that are part of the JEH Early Childhood Center. The team also outlined the SAP III process and how it informed the presentation for the subcommittee presented information about the District's TWI and Dual Language programs.

Subcommittee members also received a follow-up from the previous meeting which reported results from the poster activity about TWI/Dual Language. The "Wows and Wonderings" sheet was sent out as a follow-up to the poster activity reports and included space to comment on the previous three meetings.
