PE Bag

Shoes to wear

Students must wear flat closed-toe shoes like running shoes and/or walking shoes in any color. For our younger students, please make sure that they are Velcro shoes and that students can take them off and put them back on.

Shoes should be safe for students and should not distract others (i.e. not light up, make noise or have wheels).

Running shoes are required for PE class.

Crocs, slippers and slides are not allowed.
