

PROFESSIONAL DRESS CODE

Faculty and staff members are expected to dress professionally and appropriately, taking pride in their appearance. Proper grooming and attire have a positive impact on the learning environment. Grooming and dressing that disturb, interfere with, or detract from the educational process will not be allowed. Neatly groomed and dressed shall be defined as dress and grooming that is standard and conforms to local community and school district etiquette and decorum, including neat and clean hair.

The campus principal and/or supervisor will be solely responsible for initially interpreting and enforcing the faculty/staff dress requirements.
