We are excited to continue building on the legacy of excellence established by generations of students, teachers, administrators, and staff who have poured their passion into this district.

We are confident that under the new superintendent's leadership, our schools will not only honor that legacy but elevate it, ensuring our district thrives as a place of opportunity, belonging, and excellence for all.

XII. Board Comments

Trustee Anne Markoulis stated that she remembered Dr. Doeschner from the beginning when she sat on the hiring committee for the AP at the high school at that time. Your son, who's in the audience tonight, was a year old when you were hired. To see your kids, grow up here is a blessing and an honor as well as seeing you grow in the community as an AP, Science Coordinator. Trustee Markoulis thanked Dr. Doeschner for her dedication and commitment to this district. I know moving forward you will move us in the right direction. I appreciate you.

She continued by stating that there was a health and wellness walk this past Saturday. Some of the Board members were there. She thanked the following individuals who have taken their time on a Saturday to come and be a part of the walk. Analise Henry, Anaiss Sanchez, Julie Peralo, Rosemary Wollins and Anna Lagos. She recognized and thanked these psychologist and social workers of the district that came. Additionally, she thanked Mr. Hudson, Kim Hudson, Angelina Stone, Sue Bouza. The walk meant a lot and hit home for a lot of people. Also thanked Dr. Rianna for allowing the walk to happen here.

Vice-President Angela Raimo acknowledged this meeting as being exciting with a lot of celebrating. She congratulated Theresa Kahan on getting her first budget passed. Glad to have Lia continue as a Trustee and welcomed Brett on joining the Board of Education and will miss Lynn and maybe will see her again. Congratulated Allen and Kristen. Thanked Dr. Rianna for all of her years and getting the district where she has. It's a huge difference

from when you started. So excited to have Alexa for this new chapter and stated that we have every confidence in you that you will do great.

Trustee Maureen Jimenez echoes what everyone has already said. She has been reflecting on how much she values the community. The process that the Board went through for the Superintendent search was one of the hardest things she has ever done. She thanked the Board and mentioned that there are incredible people out there. She mentioned that she loves having everyone in these seats tonight and loved hearing your voices. The community feedback that was received from the search firm was so impactful. We are always here with the best intentions and we know that we can't always meet everyone's needs but everyone deserves to be heard. That is always our commitment, even when we're not making the most popular choices we know that your needs are being met. We want to hear from you so keep letting us know what you like, dislike. Keep being engaged.

Trustee Lia Leone thanked everyone that voted her in for another term. She's humbled and honored to still be a part of this along with Brett, who she went to school with. Being able to work with someone who I have known for so long will be a nice welcome to the group. Thanked Trustee James for her service to the Board. She encouraged the audience to keep coming.

Trustee Meghan Lavine added that it was incredible to do a walk thru at Landing last week. The best part of the walk thru was them letting some of the kids take a peek at the new extension and seeing their faces. It got me excited to see what's to come in the high school and Deasy. The journey has been inspiring.
