General[1]

The Director of Schools may hire a retired individual if certain conditions are met as provided for in state law. Prior to commencement of reemployment, the Director of Schools/Designee shall provide the required employment information to the Tennessee Consolidated Retirement System (TCRS). In order to be eligible for employment after retirement, a TCRS member must comply with the following:

1. The retired member must have a bona fide separation of service which includes a separation of at least sixty (60) calendar days and no previous agreement to return to work after retirement; and

2. The retired member may not accrue additional retirement benefits as a result of the member's reemployment and may not draw disability retirement benefits.

EMPLOYMENT CONTRACTS FOR UP TO 120 DAYS[2]

Retired members under TCRS may be employed for up to one hundred twenty (120) days per year without loss of retirement benefits. Retired members may substitute teach for additional days.

To continue receiving TCRS benefits, the following conditions must be met in addition to the general standards above:

1. During a twelve-month period, the retiree must not work more than one hundred twenty (120) days; and

2. The retired member's compensation must not exceed 60% of the annual full-time salary received in the year immediately prior to the member's last paid day of covered employment. This amount shall be adjusted by five percent (5%) for each year after that date.

The retired member may work beyond one hundred twenty (120) days as a substitute teacher if the payment does not exceed the rate of compensation for substitute teachers filling similar vacant positions.

HARD TO FILL POSITIONS[3]

The Director of Schools may contract with retired members for hard to fill positions if the following conditions are met in addition to the general standards above:

1. During the reemployment, the retirement benefit payable to the retiree must be reduced to seventy percent (70%) of the retirement allowance the member would have otherwise been entitled to receive; and

2. The retired member's reemployment must not exceed one (1) year, but the retired member may be reemployed for additional one-year periods per state law.

The Director of Schools/Designee shall certify to TCRS that the employee is being rehired in a hard-to-fill position. In order to qualify, one or more of the following conditions must be established:

1. It is difficult to recruit and retain qualified employees for the position;

2. The position requires specialized certification, credentials, or education;

3. The demand for the position exceeds the supply;

4. The position is in high demand in the marketplace;

5. The position is filled by key personnel;

6. The position requires specific skills and experience; or

7. The position has other unique recruitment or retention issues identified and documented by the Director of Schools/Designee.

Once the retired member is hired, the district shall pay TCRS the greater of: (1) a payment equal to the amount the employer would have contributed to the retirement system during the period of reemployment; or (2) an amount equal to five percent (5%) of the retired member's earnable compensation.
