**City-RCSD Negotiated Facilities Agreement**

Whereas, the City of Rochester (City) and the Rochester City School District (RCSD) have been involved in discussions about various facility needs for an extended period of time, and

Whereas, it is in the interest of both parties to bring these discussions to an acceptable conclusion, and

Whereas, the following items will provide a satisfactory conclusion to these ongoing discussions, therefore, be it

Resolved, that the City of Rochester and the Rochester City School District, through identical resolutions, agree to the following items:

**1. Josh Lofton Building** – The Board of Education of the RCSD shall declare by resolution prior to June 30, 2007 that 242 W. Main Street (former Lofton Academy building) is surplus for educational purposes and shall return to City ownership by June 30, 2007. The City, in turn, will lease said building to the RCSD for \$1.00 through July 31, 2008 to enable an orderly transition of the administrative functions currently housed in that building. The City shall be free to begin marketing the building immediately. The RCSD will be permitted to remove built-in fixtures or other building improvements as practical before turning the building back to the City in July of 2008.

**2. Thomas P. Ryan, Jr. Community Center** -- RCSD will continue to work with the City on the development of the Ryan Community Center/School #33 rehabilitation project and RCSD will absorb the projected \$1.7 additional cost associated with the development of the Community Center. Any future increases in costs will be picked up by the party responsible for the increase. RCSD and the City shall begin work on Operational Agreement no later than July 1, 2007. The Project will begin construction as of July 2008 to allow students to remain in the building throughout the 07-08 school year. The RCSD will use EXCEL aid to cover the local share cost of project. The City will permit RCSD to develop a temporary facility to house Florence Brown Pre-K program on the Webster Avenue Park site. RCSD will lease off-site facility to temporarily house the K-6 program. The City Council shall consider the bonding request for this project at the June 19, 2007 City Council meeting, or at a special meeting called soon thereafter, contingent on the execution of this agreement by all parties and the formal action by the Board regarding Lofton.

**3. Congress Avenue Facility (Former School #37)** RCSD will continue to use the Congress Avenue Facility (Former School #37) for administrative use, professional development purposes and as a test-grading center for a period of up to three years. RCSD will make minimal capital investment at the facility to add parking and to address HVAC issues. Following this three-year period, the facility shall be abandoned for educational purposes and returned to the City for redevelopment. Should the Facilities Modernization Program (FMP) be approved and in place at that time, the City and RCSD shall jointly consider whether it is in the public interest to permit the RCSD to retain use of the facility for an additional specified period of time to accommodate the needs of FMP.

**4. Clinton Avenue Learning Center (CALC)** -- RCSD will continue to operate SWW 7-8 program at Clinton Avenue Learning Center (CALC) facility. The current lease agreement with City extends through August of 2009. The City will extend that lease through 2019 to enable the RCSD to be eligible for NY State reimbursement for Building Aid. The District will not invest additional capital funds in building without discussion with City concerning future use of the facility/site. Should an alternative market for the building emerge, the RCSD and City shall mutually agree upon terms for termination of current lease of the facility and the ancillary agreement to manage the adjacent Pleasant Street parking lot.

**5. Former Mapledale Facility** -- RCSD will pursue the purchase of the former Heritage Charter School (Mapledale) facility on Maple Street to be used as a future home for the Flower City School. The City Council shall consider a request for bond funding from the Board of Education

to support the purchase and renovation of the facility at an estimated cost of \$5 million (purchase cost of \$3.755 million plus renovation costs of \$1.25 million) to address New York State Education Department code related issues. The purchase and renovation costs estimated to be \$5 million are found to be preferable to a projected \$12 million to renovate former School #37 facility for similar purposes. The \$5 million funding for the project shall be included within the RCSD's existing debt limit. Flower City School will move into Maple Street facility in September of 2008 allowing the RCSD to discontinue the lease of the former Sacred Heart School. The City Council shall consider a bonding request for this project at the July 17, 2007 City Council Meeting, contingent on the execution of this agreement by all parties.
