

Home Hospital Program Planning Committee Meeting
Wednesday - January 10th, 2018 - 7:30 AM

Present: Tony Robinson, Candace Rubin, Lisa Silverstein, Lauri Davis, Michele Mazzola, Kelly Nauerth

1. Minutes of December 15th, 2017 Planning Meeting: Approved
2. Possible Source of Substitutes Teachers: Tony spoke with Kelly and Lauri about reaching out to our friends and former colleagues who are familiar and comfortable with our unique teaching situation. We now have one substitute approved to work and one awaiting approval. Tony does not want the district to assign us teachers without our input and approval. Tony negotiated to be able to hire 4 more permanent teachers.
3. January Testing and Alternate Locations: Everyone must watch the Proctor Power Point Kelly emailed on 1/9 and sign the proctor signature page by 1/19. Even elementary teachers might be called on to proctor. If we need all teachers for state testing, elementary students might not be seen. Some libraries are not open early enough for morning Regents exams, although 10:00AM is the cut-off to begin. Tony said we can provide bus passes from Lisa Cummings for students to be met at a different location. The downtown library opens at 10:00AM.
4. .5 Position: Natalie Luntz-Martin has moved up to 1.0 FTE
5. Access of HHT Students and Teachers to Title 1 Funds: While January 6th was cancelled due to weather, there will be Regents Review from 8:30-12:00 the next two Saturdays. Home/Hospital students can attend if they are not on long-term suspension. In the spring, we might be able to set up Regents review for medical/suspended students who cannot come to the building.
6. New Business: We are interested in having students participate in a program in March to discuss race in school districts.

Next Planning Meeting: February 7th, 2018 @ 7:30 AM
