

School Based Planning Team Meeting Minutes

Young Mothers and Interim Health Academy

Attendees: M. Aronson (administration), M. Henretta (RTA), M. Simmonds (RTA)

12/3/14

3:00 pm

1. SLO's – M. Aronson shared new information
 - Step by step way to enter – E-Doctrina is an online program used for assessing students' baseline data in determining target scores
 - According to RCSD/RTA, this will be more user friendly than 2013-2014 school year. Details will be released soon.
 - Semester classes will need to complete soon.
 - Ramp up courses may need to complete this.
 - Need to determine how it can work for a transient program.
 - Attendance is a different level of state accountability
 - M. Aronson is willing to set up office hours to help with inputting information into the new program
2. Student Attendance and Grading
 - Discussion regarding the need to make a policy for percentage of student attendance with regard to grading.
 - District focus on attendance to be taken into consideration
 - Planning, Instruction and student understanding should be the focus in the development of a plan.
 - Need feedback from teachers to determine school wide policy for correlation between attendance and grading accountability.
 - Will follow up with further details.
3. Informal Observations will begin soon

Meeting adjourned: 4:15 pm

Next meeting: 1/6/15
