Agenda Item: Harvest Celebration

As discussed, this is an opportunity to open our school up to parents and the community on Monday November 19th.

Ideas discussed-

- Asking Food Service to provide a Thanksgiving lunch to the students.
- Classroom door decoration contest.
- Parents would join their child for lunch.
- Each grade level would do placemats for that day.
- Create family collages to be displayed.
- Perhaps intermediate grade levels could make center pieces for lunch tables.
- Primary grades could do pilgrim and/or Native American headbands.
- Lunches may start earlier that day.
- Solicit donations for pie and coffee for the parents.
- Reconfigure lunch tables into a family style lunch.
- RSVP will go out to families.
- Letter to go home with a survey to see what works best for our families.
