

# School Without Walls Student-Parent Compact 2024-25

**FAMILIES: As the family of a School Without Walls student, we promise to actively do the following each day:**

- Make sure the child attends school each day, arrives on time and attends all classes.
- Make sure the child is prepared to learn and utilizes personal needs time for academic support when needed.
- Make sure that my child's school responsibilities are being met (homework, community service, senior projects, etc.).
- Support SWW so that my child will have a respectful attitude and follow all rules and guidelines of the school.
- Communicate with teachers and attend scheduled conferences.
- Provide SWW with current contact information.
- Emphasize that profanity, bullying (including on social media), degrading others, and fighting is NEVER acceptable and that SWW is a PEACEFUL and NON-VIOLENT community.
- Help the child take financial responsibility for any damaged or lost school, teacher, or student property, for example: books, computers, calculators and lab equipment.
- Understand that students must adhere to the cell phone policy.
- Understand and support student compliance with the RCSD Code of Conduct.
- Understand that SWW is an open campus ONLY for students that are in good standing academically and behaviorally.

**STUDENT: As a School Without Walls student, I understand that the following are my responsibility, and I will:**

- Attend school and class on time daily.
- Be prepared to learn and make sure to utilize personal needs for academic support when needed.
- Be drug and alcohol free at all times – including personal needs time.
- Complete homework and turn in assignments by their deadlines.
- Write in my journal as required.
- Attend and actively participate in all conferences with my advisor.
- Actively engage in classroom and school-wide decision making and activities.
- Work to the best of my ability.
- Never use profanity, inappropriate gestures, bully, degrade others, gossip, or fight.
- Attend all school activities – including class trips outside of the building.
- Take full responsibility for completing Performance Based Assessments on time.
- Follow all school rules, abide by all rules and guidelines as outlined in the Student and Family Handbook, and have a polite and respectful attitude toward everyone in our community.
- Participate in community service each quarter.
- Respect others' property and take financial responsibility for any damaged or lost school, teacher or student property, for example: books, computers, calculators and lab equipment.
- Be prepared with my Chromebook and charger everyday.
- Follow the cell phone policy.
- Demonstrate compliance with all RCSD Code of Conduct including but not limiting to confiscation of prohibited items as well as consequences.
- Understand that SWW is an open campus ONLY for students that are on track academically and behaviorally.

**We further understand that:**

- SWW uses its Performance Based Assessment Process, Senior Projects and the Regents English Exam in place of requiring students to pass five (5) Regents exams as a graduation requirement.
- SWW does not assign letter grades or a GPA on student work or on student transcripts – we are on a pass/fail system.
- **We are not a part of the NCAA Clearinghouse. Students who wish to seek an athletic scholarship for college should not attend SWW.**
- Not following this contract may result in the student being asked to leave SWW and transfer to another school that is more suitable, or may result in the student not graduating or being allowed to participate in SWW graduation ceremonies.
