

TRADITION AWARD (FOOTBALL)

The award was established in 2006 (100th E-P Thanksgiving Day Football Game) when the #1 Alumni Varsity E Club and #2 Garnett & Grey Booster Club gathered and combined to establish the Tradition Club. The Tradition Club was responsible for all 100th Game apparel. The proceeds from that event allows both groups to offer monetary scholarships yearly to football players for both Easton and Phillipsburg High Schools. The award/scholarship is presented annually at the Football Banquet.

The award is chosen by the coaching staff of each high school.
