The Eyewear Protection Program is not an insurance plan. The program provides additional warranty protection for breakage only and cannot be used to replace lost or stolen glasses. Lens and frame replacement is based on the professional judgment of the VSP doctor. To qualify for the Eyewear Protection Program, you must purchase an eligible featured frame from a practice location participating in the Premier Program. The Eyewear Protection Program is available for one year from the original date of purchase of an eligible featured frame brand, which are subject to change. If the original frame is not available, another featured frame brand of similar style and cost may be used. Check with your doctor's office on which brands and styles are currently available. VSP reserves the right to change or cancel this program at any time without notice. The Premier Program is intended to help VSP members maximize their vision care benefits and its banner is not meant as a designation of care quality as all of our doctors meet high-quality standards of VSP for professional services. The doctor's information and Premier Program participation is subject to change.
