For years, GTCC has proudly offered Group Fitness Classes as a key part of its community programming. Classes are tailored to various fitness levels and are available at different times with diverse instructors, making it accessible for everyone.

- These classes go beyond traditional aerobics; instructors incorporate weights, timed music, and creativity.
- The classes are designed to enhance muscle tone while supporting overall wellness goals.

At just **$9 per class** for drop-in participants, they are the most affordable option available while delivering exceptional results.

FITNESS LIFESTYLE

"What sets GTCC apart is the sense of community. It's a place where people of all fitness levels feel welcomed, supported, and encouraged by both the instructors and fellow members. It's more than just a place to work out; it's a place to **CONNECT, GROW, and THRIVE.** The friendships and accountability partners I've gained have been invaluable, and I honestly can't imagine being anywhere else."

SHANNON WADINSKI

Shannon began attending group fitness classes in September 2023, with a Zumba class and has always been able to find a class that fit her schedule. "*The instructors are nothing short of amazing—they bring an incredible blend of expertise, energy, motivation, and positivity to every session*," says Wadinski. Workouts have challenged her and kept her accountable in her fitness journey.

Some of her favorite classes include Zumba, Barre, Cycling/RPM, BodyPump, BodyBalance, Yoga, and Pilates. If you're looking for an inspiring, inclusive, and energizing fitness journey, she recommends GTCC's group classes.

This past month, Shannon completed her first 5k with a friend. This accomplishment would not have been possible prior to her hard work in the Fitness Studio the past two years. Her health, energy, mood and weight have all improved because of group exercise classes at Greenheck Turner Community Center.

On May 28, more than 400 graduates and their families celebrated as the DCE Class of 2025 became the first class to walk across the stage in Greenheck Turner Community Center. The weather was a bit unstable with rain showers forecasted. Many faculty, staff and students helped set up the turf arena and transform this athletic field into a ceremony site. The band and choir both performed along with energetic speeches and inspirational messages from keynote speakers. After the gradates tipped their tassels and walked proudly across the stage, families were able to stay for photos and celebrations. This is another great use of the space for our community. Congratulations Class of 2025! You will always be welcomed back to DCE and GTCC.
