

Dear Parents & Carers,

We are delighted that Onside Coaching will be running and managing the wraparound care programme at Oakley School and will be known as 'Kids Club at Oakley.' This is an incredibly exciting venture for us which we hope will bring huge benefits to the Oakley School community. Managed by Onside Coaching, Kids Club will enable us to offer daily extended care between the hours of 3:15pm and 6:00pm. Our aim is to provide affordable, high quality, fun and engaging sessions that will give you the peace of mind that your children are being cared for safely and enjoying age-appropriate developmental activities outside the hours of the school day.

You can find our online booking system at - www.oakley.onsidelive.co.uk

Bookings will be made half termly in advance, and we are making a pledge to guarantee a place at Kids Club for every child at Oakley School. To support us with staffing we ask for early bookings to allow us to see where our staff need to be, ready for the half term ahead. You will receive a newsletter every half term allowing you to know when sessions are available to book.

We ask parents kindly, that children are not picked up before this time as we will be busy enjoying all the activities on offer for the children and would love to do this without too much disruption. If the need arises to pick up early, please do let us know in advance and we can arrange that for you.

How do I book?

Our online booking system is powered by Onside Live and can be found here:

www.oakley.onsidelive.co.uk

Your first step is to create an account and register each child. When you enter your child's date of birth, the system will automatically allocate them to their new year group. You can then select the sessions required for each child and complete your booking. Hopefully you will find the system intuitive and user-friendly, but if you have any issues please email us at kidsclub@onsidecoaching.co.uk.

I would like to use childcare vouchers. How can I do this?

We are happy to accept childcare vouchers. If you would like to use a particular one, then please let us know and we will register to accept them. Please note that our booking system requires us to pre-load your vouchers and will not allow you to complete a booking unless we have had notification from your childcare voucher provider that the funds are being transferred. Once we receive notification of funds from your childcare voucher, we will apply this to our booking system and you will receive an email letting you know your funds are available, and you can then proceed with your booking.

I might need the occasional extra session – will this be possible?

We will be guaranteeing a place at Kids Club for ALL children that attend Oakley School (primary). Should you need an ad hoc session this will be available on a 7-day rolling basis and will need to be booked through our booking software.
