PLEASANT HILL SCHOOL DISTRICT

SPRING 2025 NEWSLETTER

A LETTER FROM THE SUPERINTENDENT

Dear PHSD Community,

As we turn the page on another school year, I want to express my sincere gratitude and admiration for the collective efforts of our students, families, staff and community partners who make Pleasant Hill School District a truly exceptional place to learn and grow. From classroom achievements to athletic milestones, and from facility upgrades to district-wide initiatives, Spring 2025 has been a season of energy, reflection and momentum.

Celebrating Our Students and Staff

Our campuses have been alive with activity this spring! Elementary students brought history to life through their Living Museum and welcomed families to a community nacho feed. The middle and high school music departments dazzled at our annual Jazz Festival and spring concerts, while our student-athletes competed with integrity and heart across the state. We continue to take great pride in the achievements of our CTE and FFA programs and a host of other wonderful student clubs that work to not only acknowledge the diversity of our student interests but work to enhance the school experience for every student.

To our graduating seniors—congratulations! You have reached a significant milestone, and we know you will carry forward the resilience, character and curiosity that were cultivated during your time at Pleasant Hill. We're incredibly proud of your accomplishments and look forward to seeing the difference you will make in the world.
This spring, we also honored our incredible teachers and classified staff. Your dedication to the academic, emotional and social growth of our students is unmatched. Thank you for your professionalism, creativity, and care.

Facilities and Future-Ready Improvements

This year we've made key strides in our long-range facility planning and capital improvements:

- **Agricultural Science Remodel:** We finalized the transformation of our forestry building into a modern ag-science classroom.
- **Library Renovation:** We're looking forward to the full renovation of the middle/high school library, aiming to complete the project by September 2025.
- **Seismic Rehabilitation of the Gym:** Design work is beginning on a major seismic upgrade for our historic gym, thanks to a state grant.
- **Track & Turf Field Renewal:** Our aging athletic field and track are set for replacement in Summer 2025. With $500,000 already set aside, we'll need community support to close the gap.

These improvements reflect our commitment to maintaining safe, engaging and equitable learning environments that support both academic and extracurricular excellence.

OUR MISSION

To graduate all students with high levels of academic and personal achievement, who are ready for post-secondary excellence, and who are prepared for productive, compassionate citizenship, through research-based instruction and a collaborative system of support.

PLEASANT HILL EDUCATION FOUNDATION UPDATES

The 2024-2025 school year has been amazing, and we would like to thank all the donors, volunteers, teachers, and staff that have helped support the Pleasant Hill Education Foundation. We have enjoyed being able to support the district through our Innovative Educator Grants, Scholarships and Donor-Directed funds.

We would like to thank our sponsors and all who attended our PHEF Winter Blues Gala! We are excited to announce we raised over $40,000 for Pleasant Hill Schools! We couldn't do this without the amazing support of our community and sponsors!

SUPERINTENDENT'S LETTER, CONTINUED

Looking Ahead

The formation of our new District Equity Committee (DEC)—required by Oregon law and rooted in our belief that all students deserve to feel seen, supported and successful—is set to launch in Fall 2025.

As we look toward summer, our district is also preparing to offer a summer learning program. Our goal is to help every student continue growing academically—even during the break.

As always, our work is driven by a shared vision: to prepare students to be compassionate, capable citizens, equipped to succeed in any post-secondary path they choose. This requires all of us—families, educators and community members—to model collaboration, hold high expectations and believe in our students' potential.

Thank you for being part of this journey. I wish each of you a restful, joyful summer filled with family, sunshine and new memories.

With appreciation,

Jim Crist
Superintendent

Registration Information

RETURNING STUDENT REGISTRATION

Please complete the Spring Verification of Information process on Synergy for returning students.

To do so, please visit **https://www.pleasanthill.k12.or.us/registration/returning-students**

If your student will not be attending one of our schools, Pleasant Hill Elementary or Pleasant Hill High School next year, please let our office know so we can count your student as having completed the process. If you need assistance, please call the office at 541-736-0400, between 7:30 –3:30 p.m. daily.

Thank you for taking the time to complete this process. It greatly helps us plan ahead for the next school year.

KINDERGARTEN REGISTRATION

Help us spread the word by sharing with your neighbors and friends within the district that kindergarten online registration is open for the 2025-2026 school year. Any child who will be 5 on or before September 1, 2025, is eligible to be registered for kindergarten.

To register a child, go online and follow the step-by-step directions at **https://sites.google.com/pleasanthill.k12.or.us/pheskindergarten/registration**

If you do not have access to a computer or a cell phone with data capabilities, please stop by our school and use one of our computers. In addition, you will need to provide use with documents via:

- Email at **gschaecher@pleasanthill.k12.or.us** or **mskelton@pleasanthill.k12.or.us**
- Fax at 541-736-0446
- In-person at the Pleasant Hill School District Office. Documents may be dropped off between the hours of 7:30-3:30 p.m.

The registration documents are listed below and are required in order to complete the registration process:

- Birth Certificate for the student(s)
- Immunization records
- Proof of Residency, which consists of one of the following:
  1. Electric Bill with your name and address listed
  2. Lease / Rental Agreement
  3. Mortgage Statement

HELP US FINISH THE FIELD

A Legacy 60 Years in the Making

In 1964, something extraordinary happened in Pleasant Hill.

Track and field legend Bill Bowerman teamed up with local teacher and coach Jim Puckett to create the first-ever synthetic track surface. Made from tire rubber, sand, and tar, it was revolutionary. Runners gained one to two seconds on every lap. That same track hosted Olympians like Kenny Moore, NFL star Russ Francis, and opened doors for girls across Oregon when Coach Puckett launched the first-ever OSAA-sanctioned Girls State Championship meet.

Sixty years later, that spirit of innovation still lives. Once again, Pleasant Hill has the chance to lead, with your help.

Our current track and turf were installed in 2012 and have far outlived their expected lifespan. The turf is unraveling. The track is cracked and fading. And yet, these fields remain the heartbeat of our school and community. They host everything from high school football games to YMCA soccer, elementary running clubs and the American Cancer Society's Relay for Life. They are where kids learn, grow, and move together, with their classmates, their neighbors and their community.

This isn't just a sports upgrade—it's a public health investment, a community gathering space, and a chance to honor our past while building for the future.

The Need is Clear—and the Moment is Now

The Pleasant Hill School District has already saved $500,000 for this project. But to break ground after graduation on June 7, 2025, we need your help closing the gap.

Thanks to an anonymous local family, every dollar you give between now and June 15 will be matched up to $30,000. That means your best gift today will go twice as far to restore the track, replace the turf, and ensure safe, high-quality facilities for our students and our town.

- **$1,100** covers one letter in the end zone—an unforgettable way to leave your mark.
- **$100** supports a child's first soccer season, running beside their friends, right here at home.
- **Every gift**, no matter the size, keeps this field open to the community—and the legacy alive.

This project has already received support from major partners like the Giustina Foundation, The Chambers Family Foundation, Oregon Track Club and other local businesses who recognize its regional impact. Now we're asking you, our neighbors and alumni, to be part of finishing what was started generations ago.

Your best gift will allow students to train, play and dream on the same ground where legends once ran. Let's give them that chance.

Best,
Kendra Chambers Goldberg

Choir Updates

There has been a lot of excitement this Spring for the Pleasant Hill Choir Department. Beginning Choir participated in the second annual Just Sing It Choral Festival at North Eugene High School. They sang beautifully, and had the opportunity to sing a combined piece with over 200 singers from schools all over Lane County.

Ascensions, our high school vocal jazz ensemble traveled down to Stockton, California in early March to perform at the University of the Pacific Jazz Festival. We were accompanied by our friends in both jazz bands on this trip, and it was a blast! After the festival day, we spent a couple of extra days exploring the Bay Area. Highlights included attending a performance of Back to the Future, the Musical at the Orpheum Theatre in downtown San Francisco, spending a day at Six Flags-Discovery Kingdom, and taking a ferry ride out to Alcatraz.

In April, both Variations (7th and 8th grade combined choir) and Ascensions competed at our 49th annual Pleasant Hill Jazz Festival. Both choirs took second place in their divisions. Sophomore Benaiah Carrera won the Outstanding Musician Award for high school vocalists. I am proud to announce that our choir divisions were competitive for the first time in years. We brought back the Vocal Soloist Division, and we had 12 singers sign up to compete.

We have started a new choir tradition this spring at Pleasant Hill, and that is our Friday show concept. Ascensions has been singing in the courtyard on Fridays to spread the joy of singing to everyone at Pleasant Hill. We have had two shows so far, and they have been really successful. Friday shows happen during high school lunch. Come check it out!

There are additional exciting opportunities on the horizon next school year. Stay tuned!!

Sincerely,
Ryan J. Dixon
Director of Choirs

A LETTER FROM THE PRINCIPAL

Dear Families,

As we wrap up an incredible school year, I want to take a moment to express my heartfelt gratitude to each of you for the warm welcome and support you've shown me during my first year as principal. Stepping into this role has been an exciting journey, and your kindness, collaboration and trust have made it a truly meaningful experience.

This year has been a time of learning, growing, and building relationships, and I'm proud of the work we've accomplished together. We have worked hard on our goals of building family relationships, improved attendance, and improved literacy outcomes for all students. We have many exciting things put in place to support our literacy work for next year. As the saying goes, "Change is the end result of all true learning" (Leo Buscaglia).

I look forward to how our community embraces change not as a challenge, but as an opportunity—to learn, to improve and to grow together for the benefit of our students. It's always about a balance of honoring tradition and welcoming change.

I'm inspired daily by the dedication of our staff, the curiosity and resilience of our students, and the unwavering support of our families. Thank you for partnering with us in creating a nurturing, inclusive and dynamic learning environment.

As we look ahead to the upcoming school year, I'm excited about what's to come. We will continue to build on our successes, support the needs of every learner and foster a school culture where every child feels seen, valued and empowered to reach their full potential.

Wishing you a joyful and restful summer. I look forward to seeing you again in the fall and continuing our shared mission to help our students thrive.

Warmly,

Brenna Fairchild

Principal

Elementary School Music Program Updates

The PHES Music Department has produced eight concerts this year! Each grade level K-5 got to perform once on a range of instruments from recorders, xylophones, ukuleles, and a variety of unpitched percussion instruments.

We had a phenomenal display of talent at Billie's Got Talent that featured 50-plus students participating in and helping run the show.

Finally, the 3-5th grade musical Schoolhouse Rock Live! Jr. was a hit! Thank you to the PHES PTO and PHEF for funding this enormous project. The memories that it created are priceless.

Looking into next year, each grade level will get the chance to perform once throughout the school year. K-5th grade will get to show off their talents at Billie's Got Talent, as well as the return of 4-5th grades Billie's Xylophone Crew!

During the 2025-2026 school year, we are aiming to purchase a new stage for the Music Department since our current set up has become outdated. Keep an eye out for ways to donate and help us reach our goal of $20,000! Go Billies!

With a song,

Ryan Strong

Music Teacher

OREGON SUMMER EBT
NUTRITION PROGRAM FOR KIDS

Oregon Department of Human Services

OREGON DEPARTMENT OF EDUCATION

Summer EBT is back in 2025

Learn how the program can help feed kids.

Summer EBT (SEBT) is a grocery benefits program. It helps families buy food for their school-aged children when school is out. Each summer, families will get one payment of $120 on an Oregon EBT card for each eligible child to buy groceries. Unused Summer EBT benefits expire 122 days after issuance.

Families may automatically receive Summer EBT in 2025 if:

Your child got benefits for 2024 through an approved application. Or, your child experienced one of the following anytime during the 2024-25 school year:

- SNAP food benefits.
- TANF cash assistance.
- Medicaid and your household has income under 185% of the federal poverty level.
- Foster care.
- Attending a school that participates in the National School Lunch Program (NSLP) or School Breakfast Program (SBP) and meet household income requirements.

Families may need to apply if:

- ☑ Your household meets the income requirements for free or reduced-price meals at school, **AND**
- ☑ Your child attends a school that participates in the National School Lunch Program (NSLP) or School Breakfast Program (SBP).

Quick Fact

Did you apply in 2024?

Applications submitted in 2024 will be re-used to determine eligibility for 2025.

Key Dates

Now

Paper applications available in 10 languages online at https://sebt.oregon.gov for families that need to apply.

May 22, 2025

Benefits begin issuing for families who are automatically eligible.

May 30, 2025

Online application opens

Sept. 3, 2025

Application deadline.

For more information, visit our webpage at https://sebt.oregon.gov or by scanning the QR code.

You can get this document in other languages, large print, braille or a format you prefer free of charge. Contact the Summer EBT Unit at summerEBTinfo@odhs.oregon.gov or 503-945-5600. We accept relay calls.

Rural Kids Lunch Program

Delivery Route - Pleasant Hill/Dexter

Every Tuesday **from June 23rd - August 22nd**

FREE LUNCH FOR KIDS 18 AND YOUNGER

Each week, FOOD For Lane County will deliver five days' worth of USDA-approved lunches to rural communities. A truck will stop at designated locations every Tuesday, with a 20-minute window for pick-up at each stop. Each child will receive a grab-and-go bag containing five lunches.

If a child is not present at pick-up, a parent or guardian must complete a proxy form once for the season to receive meals on their behalf. The form is available on our website.

Site Name	Site Address	Pick Up Time
Pleasant Hill Community Center	36386 OR-58, Pleasant Hill	11:30 – 11:50am
Cascade Foothills Library	39140 Dexter Rd, Dexter	12:20 – 12:40pm

CTE HEALTH SCIENCES AND MEDICAL CLUB NEWS

The Emergency Medical Responder (EMR) course is well underway. It is co-taught with Pleasant Hill Goshen Fire Department and offers students pursuing EMS careers the chance to gain hands-on experience in real-world emergency situations. Working alongside certified EMS professionals and firefighters, students develop critical skills such as CPR, wound care and patient assessment.

Throughout the program, students support emergency response teams and receive mentorship from experienced fire department personnel who provide guidance on clinical skills, communication and decision-making under pressure. This immersive experience helps students build confidence, sharpen their EMR abilities and gain a deeper understanding of careers in emergency services. By the end of the course, students are well-prepared to pursue certifications and careers in EMS, firefighting, or related fields—and may be eligible to apply for EMR certification through OHA.

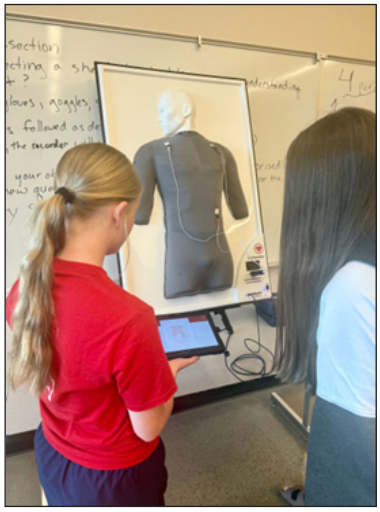

This year, students in Pleasant Hill High School's Health Science CTE pathway also earned industry-recognized certifications through the Stacked Health Science Credentials Portfolio (CTE IRC Code 0CREDHEO25). Certifications included AHA BLS CPR, HIPAA compliance and Bloodborne Pathogen training—equipping students with real-world skills and boosting their readiness for healthcare careers and postsecondary programs. This hands-on credentialing experience builds confidence, supports career flexibility and aligns with current healthcare industry needs.

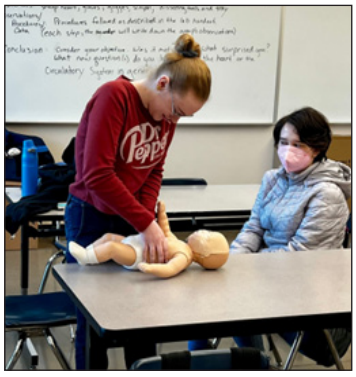

Students in the Introduction to Healthcare Careers class used an ECG Simulator—funded by a grant from PHEF—to learn how to recognize and interpret abnormal heart rhythms. Through hands-on practice with realistic scenarios, students gained a deeper understanding of cardiac function and built foundational skills in ECG interpretation, preparing them for future roles in healthcare.

This year, the new Pleasant Hill Medical Club offered students valuable opportunities for leadership, career exploration and community engagement. Members have taken on leadership roles within the club and participated in career development activities, including job shadowing experiences at Our Community Birthing Center and Oregon Imaging Center. These hands-on opportunities have allowed students to observe real-world healthcare environments, interact with professionals in the field and gain insight into potential career paths.

Students heard from a variety of healthcare professionals through guest speaker sessions. Speakers included ER nurses, Labor & Delivery and Midwife nurses, a Mammography and Radiology Technician and a representative from an Organ & Tissue Donation center. These engaging talks gave students first hand insight into diverse healthcare careers, daily responsibilities and the paths to entering these in-demand fields.

With a focus on mentoring, guest speakers and future service projects, the club is helping students build skills, confidence and connections for their future in healthcare.

AGRICULTURE, FUTURE FARMERS OF AMERICA, & CTE NEWS

Celebrating a Year of Growth in CTE

As the 2024–2025 school year comes to a close, we are proud to share the achievements and milestones reached by our students in the Career and Technical Education (CTE) and FFA programs. From classroom learning to real-world application, our students demonstrated commitment, skill and leadership across a wide range of activities that spanned the spring and early summer months. We have over 200 middle and high school students involved in classes, CTE events, and tours throughout the year.

Showcasing Student Leadership and CTE Impact

In January, our Ag Business Management and Leadership class kicked off the semester by developing a comprehensive "CTE Year in Review" presentation. This event showcased the depth and diversity of CTE opportunities available at Pleasant Hill High School. Several senior students shared personal testimonies about how CTE has positively impacted their high school experience and shaped their post-graduation plans. During the event, we also premiered our new Pleasant Hill CTE video, created in collaboration with Lane ESD as part of the countywide Spotlight on CTE initiative. The video can be found on the PHSD website at **https://phhs.pleasanthill.k12.or.us/news**. The video highlighted student work across our CTE labs and served as a powerful introduction to visiting administrators and guests from other Lane County schools.

Greenhouse Production and Irrigation Projects

Throughout the spring months, students were hard at work in our greenhouse preparing for the annual Spring Plant Sale. This event provided valuable hands-on learning as students engaged in all aspects of horticultural production, including plant care, marketing, customer service and operating point-of-sale systems. The sale was a great success, and any remaining unsold hanging baskets were donated to PHSD teachers as a token of appreciation during Teacher Appreciation Week.

Students also continued work on the greenhouse irrigation upgrade, a multi-phase project that is being supported through competitive grant writing efforts led by our students. They planned, budgeted and coordinated resources to move this project forward using technical and collaborative skills.

Construction Lap Brings Projects to Life

In our construction lab, students completed the Shed Construction Project in May. This multi-month effort gave students the opportunity to plan, frame, wire, paint and finish 4 sheds according to current industry standards and codes. Several of the Class-built projects were donated to the Pleasant Hill Education Foundation and the Pleasant Hill Booster Club to be auctioned as a way to raise funds in support of district programs, including CTE.

CONTINUED, NEXT PAGE

AG, FFA, AND CTE DISTRICT NEWS, CONTINUED

FFA Competition and Recognition

Our FFA chapter remained active and competitive throughout the spring. Students participated in a variety of Career Development Events (CDEs), achieving high placements in multiple areas. Our Ag Mechanics teams placed first in the beginning division and second in the advanced division, qualifying them for the state-level competition, where they finished in the top 15. We also earned a top-three placement in the Resume and Interview CDE, advancing to the sectional competition. Additional team and individual accomplishments included a third-place finish in Farm Business Management and first-place finishes in Beginning Crops, Beginning Meats, Beginning Poultry and Forestry. We competed at Tractor Driving, Dairy Foods, Vet Science and Public Speaking events. We were honored to host the Upper Willamette Floriculture CDE at our own greenhouse, where our beginning division team placed third.

Leadership Development & Industry Exposure

In addition to competitions, FFA students engaged in leadership development at the Oregon FFA State Convention. There, they attended workshops focused on market animal preparation, chapter service and agricultural marketing. We also welcomed guest speakers to our campus, including a local poultry producer who spoke about sustainable livestock practices and a certified public accountant who guided students through the essentials of financial record keeping and agricultural business planning. 29 students toured the OSU Department of Engineering and the Atmospheric and Oceanic Sciences Departments.

Students also explored public service and emergency response careers during their visit to the Lane Fire School, where they participated in hands-on activities and learned about firefighting and emergency medical careers. Looking ahead, we are excited to take students to the statewide Women in Trades Career Fair, where they will meet professionals and explore a range of technical career opportunities.

Enhancing Learning Through Culinary Science

Back in the classroom, our newly upgraded kitchen facility has been a hit with students enrolled in our Food Science and Preparation curriculum. The new ag classroom space has enabled us to expand our instruction in culinary skills, food safety and nutrition, adding another layer of technical experience for our learners. A grant from the Pleasant Hill Alumni and Supporters allowed students to use new food labs during the second semester.

A Grateful Acknowledgement to Our Sponsors

We want to extend a heartfelt thank you to the many individuals and organizations who supported our efforts this year. Rexius generously donated soil for our horticulture program and plant sale. Wilco sponsored several of our student events and competitions. The Oregon Natural Resources Education Fund provided funding for a 110-student field trip to the Oregon Logging Conference, where students participated in workshops, toured industry exhibits, and connected with natural resource professionals during a career fair and educational sessions.

Looking Ahead

As we reflect on the successes of this year, we are also looking ahead. Students are already planning to attend next year's FFA Washington Leadership Conference and are eager to pursue even more CTE and leadership opportunities. We are grateful for the continued support of the Pleasant Hill community and all who contribute to the growth and development of our future leaders. For more information about CTE programs, contact Angela White at **awhite@pleasanthill.k12.or.us.**

HAVE YOU THOUGHT ABOUT JOINING BOOSTERS?

Here's Your Chance!

We cannot do what we do without committed and passionate community members like you! Please consider joining Boosters and supporting our students and their activities as they transition to the middle and high school. Boosters help fund many programs and activities.

If you have a student in the district, whether in grade school or at the high school, there is a very strong possibility the Boosters have supported them or will be supporting them as they participate in middle and high school athletics and extracurricular activities.

Pleasant Hill BOOSTER CLUB

We meet at 6:30 p.m. the second Wednesday of every month at the Pleasant Hill Community Center.

Please get involved! Everyone is welcome and appreciated.

A NEW STUDENT TRANSPORTATION MONITORING PROGRAM

Introducing FirstView

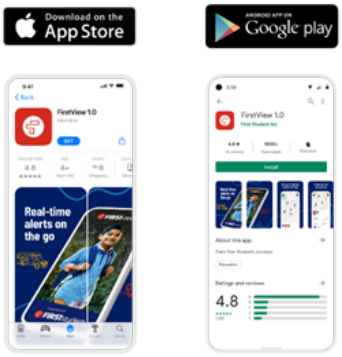

In collaboration with our transportation partner, First Student, Pleasant Hill School District is launching FirstView®, a real-time GPS vehicle tracking and student transportation monitoring platform.

With FirstView, parents and caregivers can download the secure, easy-to-use vehicle tracking mobile app that will allow you to stay easily connected with your student(s) daily trips.

FirstView allows parents to:

- See the real-time vehicle location via GPS and track its progress.
- Easy access to vehicle details as well as updates regarding any changes.
- Receive distance notification alerts when the vehicle is near.
- Set-up family members and caregivers to receive trip email alerts.
- Dedicated customer support team for all app-related questions.

DOWNLOAD FIRSTVIEW FROM YOUR PHONE'S APP STORE...

Getting Started with FirstView

Step 1: Download the free, easy-to-use mobile app, which is available on both iOS and Android devices. Search for app name: FirstView 1.0

Step 2: Set up your FirstView 1.0 mobile app profile. You'll be asked to provide:

- The 5-character District Code: Q3Z1U
- Your student's student ID number
- Your student's last name
- Confirm the student(s) name to be added

Step 3: Once you have added your student, set-up and receive distance notifications in app, via push notification, or via email. A distance notification is an alert you'll receive when the vehicle is near your student's stop location. To set this up within the FirstView app, go to Settings > Notifications > Manage Distance Notifications.

Step 4: Next, you can have yourself and/or other family members and caregivers receive daily trip email alerts. To set this up within the FirstView app, go to Settings > Notifications > Manage Recipients.

Step 5: Once you have added your student(s), set-up distance notifications, and signed up family members with email alerts, begin tracking your student's daily trips!

OR USE THIS QR CODE TO GET IT NOW...

Need Help with the FirstView App?

FirstView Customer Support is here to help mobile app users with all app-related questions:

Monday – Friday from 7:00 a.m. – 5:00 p.m. EST

HIGH SCHOOL SPRING ATHLETICS

Congratulations to all our spring Billie athletes who participated in sports and clubs!

This spring, PHHS offered Boys' and Girls' Track, Baseball, Softball, Golf, Club Girls' Flag Football and Club Boys' Volleyball. PHMS offered Boys' and Girls' Track and Boys' and Girls' Soccer.

Thank you to our amazing coaches and volunteers for making it all possible! And thank you to our students for setting an example of dedication and sportsmanship!

PHMS & PHHS BAND UPDATES

Congratulations to our middle and high school band program on a year full of great music and accomplishments.

Our middle school bands have grown by leaps and bounds. The 6th graders will have attended their first band festival at the end of May and are ready for more next year. The 8th graders combined with the high school Wind Ensemble this year to compete at the OSAA state level. For the second year in a row the Wind Ensemble qualified for the state championships, and this year placed 4th in the state! This is the first podium finish for PHHS since 2016.

Solar Jazz performed beautifully this year, placing first at all four of their jazz festival competitions, including the OMEA State Jazz Band Championships, for the 3rd year in a row. Graduating jazz band seniors have twelve consecutive wins under their belt.

Thank you to all the parents, community members, faculty, school board, and administration that has made this year memorable. We hope to see you at a performance soon!
