## School Description

Margaret Mead Elementary is located in Sammamish, Washington. Mead Elementary opened in 1979 as the first LWSd elementary school in the area currently known as the Sammamish Plateau. In 1999, the community was incorporated as the City of Sammamish. Students from Margaret Mead transition to Inglewood Middle School followed by Eastlake High School. Mead is a diverse community of learners. Our students come from countries around the globe and speak more than twenty languages. One program unique to Mead is the STEM Choice Program. STEM enrolls 120 students via a district directed lottery process. Highlights of STEM include additional study in engineering, technology, and Next Generation Science Standards. The staff at Margaret Mead Elementary are committed to student success. Teachers focus on the success of every student by providing rigorous instruction based on state and district standards and a safe and welcoming learning environment. The Mead staff highly value the partnership with our parent community, including our active PTSA. At Mead, we follow the MEAD Way. The MEAD Way is our common language and expectation about how we interact in community together. We demonstrate The Mead Way by: Making Wise Choices; Expecting our Best; Acting with Kindness; Demonstrating Respect.
