International Community School is a choice school, serving students in grades 6-12 from the Lake Washington School District. Global Awareness: Having the capacity to incorporate the attitude, knowledge, and skills necessary to feel empathy for the human condition all over the world while acknowledging our perspective as one among many, realizing how we impact and are impacted by larger systems.

# State Assessment Results

## Smarter Balanced Assessment (SBA)+

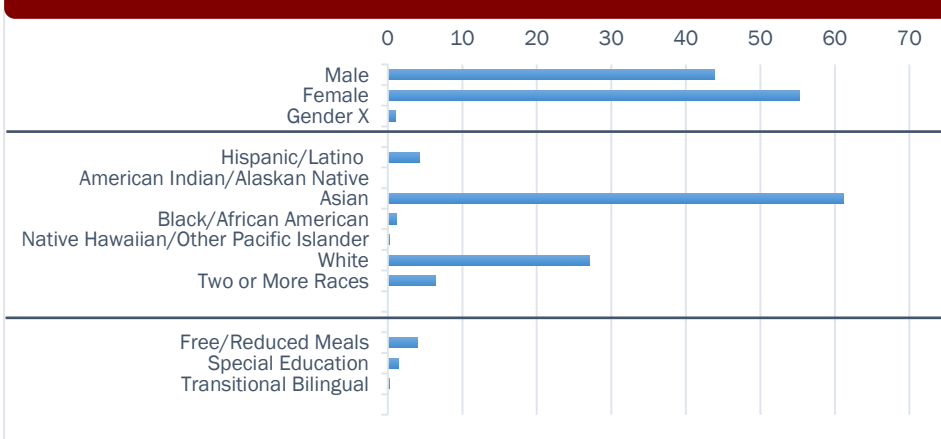

+Smarter Balanced Assessment is a Washington state standardized exam. Scores represent percentage of students who met the standards. Students who did not take the test were counted as not meeting standard.

>Test scores are above 92%

\*Scores are suppressed when groups are so small that the information could potentially be used to identify or derive information about individual students. Many 11th grade students refused to take the test: they may have already met graduation requirements through passing the old state tests in 10th grade.

## Student Demographics

## Invitation to Participate

Community Engagement is one of Lake Washington School District's strategic plan goals. We welcome and appreciate the involvement of families and community members in our school. Please contact our school office if you want to join us and help make a difference for our students.

\*\*The Scholastic Aptitude Test (SAT) and the American College Test (ACT) are required by many colleges and universities for admission. Students elect to take these tests. A new SAT was given starting in January 2016. The Reading and Writing sections have been consolidated and now make up "Evidence-Based Reading and Writing" (ERW). As a result, the previous year's data is no longer comparable.
