The Carlos Dunlap Foundation & Carlos Cares Donates Brand-New Clothing and Skincare Products to CCSD Teachers and Staff

Office of
Communications

Anita W. Huggins, M.Ed.
Superintendent of Schools

Michelle A. Mills
Associate of Communications

Charleston, SC - Charleston County School District's (CCSD) Department of School Support, in collaboration with the Carlos Dunlap Foundation & Carlos Cares, surprised teachers and staff across several district schools with a generous boost of appreciation. The Carlos Dunlap Foundation & Carlos Cares donated a variety of high-end, brand-new clothing and skincare products as a thoughtful gesture of gratitude for the hard work and dedication educators show each day in support of their students.

Carlos Dunlap, a former Pro Bowl and Super Bowl champion NFL player born (and raised in the Lowcountry whose mother was a principal in CCSD), has prioritized supporting both students and those who dedicate their lives to student success. This heartfelt gift was part of the foundation's ongoing mission to give back to the communities that shaped its founder.

To learn more about the Carlos Dunlap Foundation & Carlos Cares, please visit www.thecarlosdunlapfoundation.org

If you would like to partner with CCSD or know of an organization that may be interested in supporting students and schools, please contact spacesupport@charleston.k12.sc.us.

###

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 51,000 students in 90 schools and specialized programs.

CCSD offers a diverse portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (International Baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; military; dual credit; and many more.
