Student regular attendance rate: 75.4%
4-year graduation rate (class of 2021): 97.1%
5-year graduation rate (class of 2020): 96.2%

District Mission

Each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society.

School Mission

Developing the character and intellectual strengths for individual and shared success

School Description

Eastlake High School is in an upper middle-class community in Sammamish, Washington. Eastlake opened in 1993 and serves more than 2000 students. We are one of four comprehensive high schools in the Lake Washington School District, a suburban school district on the Eastside of King County that includes Sammamish, Redmond, and Kirkland. Our District has more than 55 schools and 30,000 students. Eastlake has spent years implementing Professional Learning Communities (PLCs) which focus on collaboration to improve student learning, and the use of data to inform and improve instruction. Eastlake strives to provide dynamic and engaging instruction in every class, every day. Teachers challenge students to learn, while supporting them in this process through a positive, personalized and empowering culture. We believe students need to develop the intellectual strength and character necessary for success now and in the future, as captured by our mission and motto Wolf Strong, Pack Strong (WSPS). We offer a wide range of courses including Advanced Placement (AP), Career and Technical Education (CTE), Honors, and College in the High School. Our students can also participate in Running Start (attend a local college and receive both high school and college credit) and WANIC (an advanced CTE consortium of eight local school districts).

School Funding

District General Fund Budget: \$547.2 million
District Per Pupil Expenditure: \$17,975 per pupil
Building Budget for this school: \$543,741

2023-24 District Expenditures

Where does the money go?

2023-24 School Goals

English Language Arts and all other subjects (Grades 9-12, all subjects):

By April 15, 2024, all teachers will implement at least two specific UDL instructional strategies that include all students with various needs in the general education curriculum and coursework.

Math and all other subjects (Multilingual students in grades 9-12, all subjects):

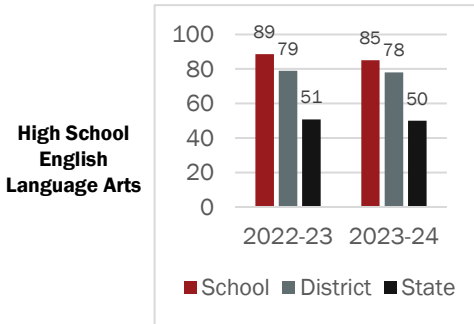

Our multilingual learners will fail fewer courses this year (2023-2024) than they did last year (2022-2023) as measured by the number of N grades at the end of first and second semester.

Social and Emotional (Grades 9-12):

By April 15th, 2024, our school community will understand our multi-tiered system of supports. Students, parents, and staff will understand how to access our interventions, as measured by participation rates in selected programs, staff survey data, and feedback from student and parent focus groups.

State Assessment Results

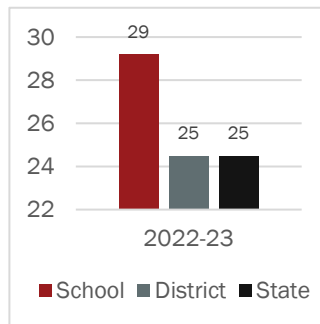

Smarter Balanced Assessment (SBA)+

SAT**

ACT**

Student Demographics

+Smarter Balanced Assessment is a Washington state standardized exam. Scores represent percentage of students who met the standards. Students who did not take the test were counted as not meeting standard.

*Scores are suppressed when groups are so small that the information could potentially be used to identify or derive information about individual students. Many 11th grade students refused to take the test: they may have already met graduation requirements through passing the old state tests in 10th grade.

**The Scholastic Aptitude Test (SAT) and the American College Test (ACT) are required by many colleges and universities for admission. Students elect to take these tests. A new SAT was given starting in January 2016. The Reading and Writing sections have been consolidated and now make up "Evidence-Based Reading and Writing" (ERW). As a result, the previous year's data is no longer comparable.

To view state test scores by demographic group, please visit: <http://reportcard.ospi.k12.wa.us>. Select Lake Washington School District_Eastlake High School.

Invitation to Participate

Community Engagement is one of Lake Washington School District's strategic plan goals. We welcome and appreciate the involvement of families and community members in our school. Please contact our school office if you want to join us and help make a difference for our students.

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Fair

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.
