JUNE 2025

While the Southington Board of Education annually provides supplies necessary for our students to be successful in school, there are some optional items that will assist your student not only in school but in completing assignments at home as well. Our teachers have generated a list of items that you may wish to provide.

We understand that providing the above items may be a financial burden for some. Therefore, please know that every Southington School has it's own "Cares Program" to assist families in need. Contact may be made to each school's administrator for further information. Additionally, the Town of Southington has assistance available through the Community Service Department. You may contact the Community Services Department at 860-276-6271 for more information.
