

Dear Parent/Guardian:

In preparation for the start of the school year, please be aware of health requirements mandated by the Pennsylvania Department of Health. These are required whether or not your son participates in athletics. [Please click here for more information from the PA Department of Health.](#)

- **ALL STUDENTS** are required to have a copy of a current Physical Exam (within the past year) in Magnus Health **BEFORE** the start of the school year.
- **All 7th grade and new students** are required to upload a copy of a Dental Exam to Magnus Health **BEFORE** the start of the school year.
- **All 7th grade students** are required to upload a copy of a TDAP and 1st MENINGOCOCCAL (MENACTRA,MCV) VACCINATIONS to Magnus Health **BEFORE** the start of the school year.
- **All 12th grade students** are required to upload a copy of a 2nd MENINGOCOCCAL (MENACTRA,MCV) VACCINATION to Magnus Health **BEFORE** the start of the school year.

Thank you to all of those who have submitted their forms this summer. Even if you have uploaded forms in previous years, please check that they are updated and all new forms are completed. **ALL MAGNUS HEALTH REQUIREMENTS MUST BE COMPLETED WITH GREEN CHECK MARKS BEFORE THE START OF THE SCHOOL YEAR.**

If the above requirements are incomplete on the first day of school, your son will not be allowed to attend school or play fall sports.

Please feel free to contact us with any questions.
