*Dear Beecher Road School Community,*

*As the school year closes and my retirement approaches, I want to share a quick thank you. My career began 37 years ago and throughout this time I have been afforded opportunities that I never dreamed for myself. When I became your Superintendent, I learned how special this community is. Here in Woodbridge, at Beecher Road School, we are rich in opportunities to learn and to grow together. We have an abundance of creativity, passion, diversity, and kindness. Every day I have learned from you. It has been an honor to work with each of you.*

*I look forward to continue watching amazing things happen at Beecher Road School as a result of our learners and our staff.*

*With gratitude for all that you do for our children, and for all that we have accomplished together,*
