2025 - 26

DAME ALLAN'S SCHOOLS
building the future

Welcome

Dear Parents / Guardians,

Thank you for taking the time to look at Dame Allan's Schools' bus services for the 2025-2026 academic year. This is the fourth version of such a guide, which sets out the wide range of travel options available to the pupils at Dame Allan's Schools.

Building upon our successful partnership, we are pleased to announce the continuation of our collaboration with Vectare, a specialist school transport management company, to manage the school bus services. Vectare are responsible for over 2.5 million independent school journeys per annum. Vectare will continue to manage all aspects of the School's services, and any enquiries can be directed to their team at dameallans@vectare.co.uk.

All bookings for school bus routes are made via our online booking system, which can be viewed at dameallans.vectare.co.uk. This means that you no longer need to complete any paper forms. Payment for the service is made at the time of booking and your child's name will automatically be added to the register. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

This guide provides an overview of the bus service network and contains further details including fare and timetable information. All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a school bus as a one off, you can make a booking right up until the bus is due to depart.

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact Vectare via the bookings website and they will be pleased to assist.

I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

Yours faithfully,

Vicki McDonald
Bursar

Terms & Conditions

1. This agreement is made between all school bus passengers, their parents and Dame Allan's Schools in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Dame Allan's Schools provides a school bus service. Parents are responsible for their son/daughter at all times including both prior to and after boarding and alighting.
3. Transport on the school bus service must be arranged in advance and is paid for through the online booking system.
4. Bookings are non-refundable in the event of a pupil failing to travel.
5. Bookings are to be made via dameallans.vectare.co.uk.
6. Each pupil for whom an online form has been submitted will be added to a bus list detailing the service they travel on, their bus stop and what travel has been paid for. Their name will appear on a list which will be checked by the driver.
7. It will be the parent's responsibility to inform the school via the Contact Us form on the website if they no longer wish for their child to use the school bus service. Notice of half a term must be given by a parent prior to the removal of a pupil from the school bus service.
8. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by the pupil or their parents.
9. Pupils must travel to and from Dame Allan's Schools in full school uniform. Full school tracksuit or non-uniform can only be worn when permission has been granted.
10. Pupils should be at the bus stop 5 minutes before the scheduled time of departure to ensure they do not miss the bus. Drivers will not wait past the scheduled departure time.
11. Good conduct is required at all times. Shouting, use of inappropriate language, dropping litter, playing loud music or any other misbehaviour is strictly forbidden, as is eating on the bus. Pupils must ensure that any online activity will not cause distress to others as set out in the school ICT Acceptable Use Agreement. Pupils are expected to behave responsibly on transport to and from Dame Allan's Schools. This means following all safety guidelines and adhering to the Schools' code of conduct and behaviour policies, which can be found on the website: dameallans.co.uk/contact/transport.
12. Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
13. Whilst on a school bus, all passengers must accept the authority of a member of staff or driver, who may ask them to obey any reasonable instruction such as pick up litter, cease from certain actions or to move to a different seat.
14. Failure to comply with these conditions may result in the matter being referred to the pupil's form teacher or Head of Year and may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service.
15. Dame Allan's School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances.
16. The school bus service is only available to Junior Pupils in year 5 and 6, or to pupils in year 3 and 4, when accompanied by an older sibling from the Senior School on the bus.
