# Mission & Vision

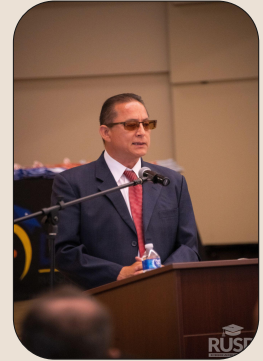

---

*Legacy*

---

The **mission** of the Legacy Program is to provide English Learners with purposeful academic, instructional, motivational, and family supports that will facilitate their progression toward college, career, and world readiness upon graduation.

The **goal** is to increase the percentage rate of English Learners who successfully graduate high school and/or complete the A-G admission requirements set by the Universities of California (UC) and the California State Universities (CSU).
