

What is Express Scripts?

Express Scripts is a prescription benefit plan provider that makes the use of prescription drugs safer and more affordable for our members. Express Scripts handles millions of prescriptions each year through home delivery from the Express Scripts Pharmacy.

We manage your pharmacy plan, and we're a pharmacy.

Just like your medical plan covers visits to your doctor, your Express Scripts prescription plan covers the medicine your doctor prescribes. We're the largest independent manager of pharmacy benefits in the United States and one of the country's largest pharmacies, serving more than 85 million people.

We help you get the medicine you need.

Whether you pick up your prescription at your neighborhood pharmacy or have it delivered from the Express Scripts PharmacySM, we make sure you and your family get affordable medicine, quickly and conveniently. And we're more than just medicine: our dedicated team of pharmacists, nurses, and patient care advocates delivers personalized care for everyone covered by your plan.

We make managing your medicine easier.

We know healthcare is complicated. That's why we're available 24/7 to give you the information and support you need to take control of your health. Whether you want to find the best prices, manage medicine for your household, or visit with our specialist pharmacists to help you understand your therapy, we're here to help.
