

Dear Rising 6th Graders,

I hope you have a great summer filled with fun times and memories that you will share with me in August. During the summer, it is important to keep your skills sharp, so you'll be reading ONE novel for language arts. **It is required as it will also tie into the first unit for 6th grade which is characters who grow and change.** I look forward to seeing your finished product and hearing all about any other books you choose to read this summer.

The assigned novel for you to read over the summer is either

Fish in a Tree by Lynda Mullaly Hunt

Or

Wonder by R.J Palacio

Attached is the directions to the one-pager product you will create when you have completed the book. In google classroom you will find the template for the one-pager.

Have a great summer and happy reading!

Mrs. Danza
