

TASIS England Upper School Uniform Requirements

2025-26

Our school uniform plays a valuable role in contributing to our sense of community and to the ethos and mission of our School. It also sets the appropriate tone for learning. The uniform is designed to allow students to participate fully in all school activities and to move freely and comfortably without the need for adjustments. We ask all of our students to show their readiness to learn by following our uniform guidelines on a daily basis.

The uniform guidelines support parents in partnering with the School to ensure that our students are prepared and ready for the learning opportunities that each day will present. We are grateful for the parental support needed to ensure that our uniform guidelines are adhered to. Any questions concerning dress should be directed to your child's class advisor in the first instance, otherwise the Upper School Dean of Students. Any exchanges/returns for uniform purchases should be left at Security, not at the Upper School office.

All Upper School students, out of respect for themselves and the TASIS England community, are expected to dress according to the uniform guidelines. The uniform must be worn during the academic day, from 8:10 a.m. to 3:20 p.m. Boarding students are to come to breakfast dressed in uniform or ready for their first period class.

Students are required to purchase the school plaid skirts and all TASIS-crested items from the designated TASIS vendor or used uniform sale. Trousers can be purchased from other vendors, provided that they comply with the length, color, and style guidelines. The uniform requirements (as set out in the TASIS Behavioral Policies and Guidelines) apply equally to all students, irrespective of their sex, gender reassignment, race, disability, sexual orientation, pregnancy and maternity, or religion or belief or special educational needs, subject to considerations of safety and welfare. However, the School will consider reasonable requests to alter the school uniform, for example, for genuine religious requirements and reasonable adjustments for disabled children.
