

**District School Board of Collier County
Use of District Facilities
Administrative Procedure for School Board Policy 7510**

**SYNTHETIC TURF FIELD AKNOWLEDGMENT FORM FOR FOOTBALL/SOCCER FIELDS
REQUIRED FOR THE FOLLOWING HIGH SCHOOLS**

Barron Collier, Gulf Coast, Immokalee, Lely and Naples

Any User of a District synthetic turf field must have a trained turf technician present during every event. The technician must monitor field temperatures and water when necessary to ensure that the field is within acceptable temperature levels. The User acknowledges that play will be suspended to reduce field temperature when necessary. A User may schedule training by contacting the Facilities Management Department at (239) 377-0272.

CERTIFICATION

This is to certify that the below listed organization is responsible for having a trained synthetic field monitor present at all events occurring on synthetic turf. The monitor will follow all synthetic turf training as provided by District staff.
