Rank One Information

*Rank One Forms Must be Renewed Each Year In order for your Child to be Considered Eligible to participate in a UIL Sport. The Athletic Trainer will input The Physicals Manually If Turned in, If you end up Uploading a Picture to Rank One it must be the Back Portion only. We are Required to Ensure that all Athletes are Eligible with an Updated UIL Physical Annually, The Forms must be completed By parents Prior to the Start of the Season.

*If you have Previously Registered your Child, Then you already have an Existing Account in the System and will use the login Information you used at that time. If you have never registered your kid in Rank One, then you will need to create an Account using the Following steps that are provided Below.

*If you upload the Physical On your own, please make sure to send the Athletic Department a Hard copy of that Updated Physical.

Frequently Asked Question:

1. Why is it saying "I have an Existing Account" when trying to Create a new Account?
    - If it is telling you the following Statement, then you must have created an Account using an Unknown email or your Child used Their School Email. If that does not solve your Problem, Then, you can locate on the login page "Continue as Guest". This will allow you to input your childs Information such as "student ID, DOB, Name". If the Student ID is saying it is incorrect call The Athletic Department and we can look up the ID number for you.

2. Is my Child Cleared and able to Practice, Even Though I have not Completed The UIL forms But has an Updated Physical in the System?
    - Yes, your Child is Good to Participate in a Practice if you have the current Physical, However up until they start their Season and compete in a UIL Event/game then they must have the Forms Filled out to Compete.

3. Why is my Child showing Red as soon as I see Their Name in the System?
    - If your Child is showing Red then they are Either Missing the Forms to fill out or Missing a Physical. If you know that you have uploaded or were told that they do in fact have a Updated Physical and still show red then you just have to complete the forms and they will turn green. They will not turn green until Everything is up to date.
