Dear Parent/Guardian:

Marshfield High School is participating in a new program called **Direct Admit Wisconsin**. Direct Admit Wisconsin is an initiative by the Universities of Wisconsin to proactively offer admission to qualifying high school students in **between their junior and senior years of high school**. Direct admission removes the traditional application process and instead uses data provided by the high school to admit students to universities.

Based on a review of your student's 11th grade transcript (grade point average and academic coursework), you and your student may receive an email in July of 2024 indicating which UWs are providing them direct admission, and the next steps they are to take in order to learn more about enrolling within the Universities of Wisconsin if they so choose. Please know that participating in this program does not commit your student to attend the Universities of Wisconsin. To facilitate the administration of this program, the following information will be shared by the school with the Universities of Wisconsin pending your opt-in status: Name, WISEid, Local Student District ID, contact information, legal sex, race/ethnicity, GPA and high school transcripts.

Direct Admit Wisconsin is a Universities of Wisconsin initiative. Currently, it does not include the Wisconsin Technical Colleges, Wisconsin private colleges and UW-Lacrosse, UW-Madison, or UW- Eau Claire. As of now, there are 10 UWs participating in Direct Admit Wisconsin for Fall 2025. They are UW-Green Bay, UW-Milwaukee, UW-Oshkosh, UW-Parkside, UW-Platteville, UW-River Falls, UW-Stevens Point, UW-Stout, UW-Superior and UW-Whitewater.

Students continue to have the option to complete the University of Wisconsin online application for universities if students/families are not interested in the Direct Admit Wisconsin program. Additionally, students can wait to receive admission decisions from other schools before accepting a direct admit or traditional admission offer. **Participating students who find out they were not directly admitted but desire admission to a specific university is still strongly encouraged to apply to that university following the school's normal application procedures.** Additional student information and letters of recommendation may be considered in these cases. It is important to note that Direct Admit Wisconsin is not a mandatory program. For the class of 2025, Marshfield High School is taking an "opt-in" approach to provide families the choice to participate, if interested. There is no cost to participate in Direct Admit Wisconsin. For further information on Direct Admit Wisconsin please click [here](#).

If you want your student to participate in Direct Admit Wisconsin, please log into your Skyward Family Access Account and click on the "Direct Admit Wisconsin" tab. Directions are outlined on the next page. Interested students and families are encouraged to complete this process as soon as possible.

If you have any immediate questions or concerns regarding this notification, please contact the High School main office at 715-387-8464 so we can assist you directly.
