#### Rationale:

- There are two separate calendars- one for TK-5 and another for 6-8. TK-8 schools will use both calendars according to the appropriate grade-level span.
- Any technical issues are handled by the IT Dept. Send an email to [DataSupport@oxnardsd.org](mailto:DataSupport@oxnardsd.org).
- If students are missing, please check with the Site Attendance Tech. There may have been a scheduling issue.
- For TK, the DRDP has been removed from the Assessment Calendar and will now be on the Report Card/Progress Report Schedule as the DRDP is the progress reporting document.
- The input/edit window has to be closed before report cards are to go home to ensure that report cards are completed.
- The Office Manager has access to open report cards, after the window closes, for any necessary changes.
- Weekends are available as an option.
- Q is managed through VCOE, therefore, Q is not available (which includes access to report cards) when there are scheduled maintenance weekends at VCOE. These maintenance weekends are typically the second weekend of each month and are indicated on the calendar, **in red**.
  - For 1<sup>st</sup> and 2<sup>nd</sup> trimesters, the maintenance weekend is in the middle of the window.
  - The 3<sup>rd</sup> trimester window is not affected by the maintenance weekends.
- Each report card input/edit window is approximately 13 days long with 2 full weekends.
- 2<sup>nd</sup> trimester ends before the input/edit window opens.
  - For 6-8 teachers, grade passback in Canvas closes on the last day of the input/edit window which is March 22<sup>nd</sup> for trimester 2.
  - 3<sup>rd</sup> trimester starts on March 9. Between March 7-22, Canvas users have the ability to toggle between Trimester 2 and Trimester 3 on the Assignments page and in the Canvas Gradebook.
    - Please review these important due dates, considerations, and FAQs:  
[2nd Trimester 2025-2026 TK-5 Report Card/Canvas Windows](#)  
[2nd Trimester 2025-2026 Canvas & Grade Passback for 6-8](#)
- The official last day of the 3<sup>rd</sup> trimester is the last day of school, but the last day to enter grades is before that.

#### For 6-8 only:

- In the 2<sup>nd</sup> trimester, the D & F Progress Report window starts and ends earlier in the year, in order to give teachers more time to schedule conferences before Feb. 5 & 6.
- The input/edit window is for inputting of grades into the report card. Grades can be calculated and can be entered into Gradebook before the input/edit window opens.
- Time is added after report cards are completed, so the office can print and mail report cards home.
- In the 3<sup>rd</sup> trimester, the 8th grade due dates are earlier because more processing (i.e. GPA) needs to be done by the office/support staff before promotions occur the last week of school.
- 6<sup>th</sup>, 7th and 8th grade teachers can only input/edit grades in their respective windows.

#### Special Education:

- SpEd report cards/progress report of goals should be ready to share at parent conferences for first trimester.
- SDC - Report cards and progress report of goals must be completed during each trimester's input/editing window.
- RSP - Progress report of goals must be completed during each trimester's input/editing window. These must be ready to be included in the mailing/distribution of general education report cards.
