Want to stand out in a test optional college? Want to obtain more scholarships? Then take this ACT class!

**WHEN:** Wednesday, July 30, 2025  
8:30 AM – 2:15 PM

**WHERE:** Shawnee Mission South High School  
5800 W 107th St, Overland Park, KS 66207

**WHY:** This class shows you how to control the test and not let it control you. Learn how to approach the test strategically and score higher. This class is not a practice test.

**COST:** \$75 per student  
**REGISTRATIONS AFTER 7/16/25 ARE \$90**

**About the Program:** Carolyn Devane has been teaching ACT classes and helping 50,000+ students improve their scores since 1999. Here's what students are saying:

"The first time I took your class my score went up 3 points to a 31. I got my superscore up from a 31 to a 34 after your class the second time! Thank you for all of your help!"  
— Grace, Crossings Christian School, OK (May 2023)

"My score increased from a 26 to a 29, and I pushed my superscore up to a 31. Really glad I attended. Thanks."  
— Dalton, Purcell HS, OK (July 2021)

"I took your class at the K-State campus in August 2020! I was the kid who said you raised my score by 3 points! Well, guess what? You have outdone yourself once again! I received, with a super score, a 26 on the ACT! That's a 2-point increase from my previous score! **I also have to say that my score in my math section raised 5 points!!** I used all your tips. I am in no shape or form the best at math, but this math score really made me proud of myself. I just wanted to let you know that both of your classes have helped me to become a better test taker and a more accomplished student, and I want to thank you!!"  
— Tobias, Shawnee Mission West HS (October 2020)

"I took the class a week before the April ACT, and I improved my composite score by 3 points to a 30. I brought my English score from a 24 to a 31 and my Science from a 25 to a 31. The class really helped me with strategies."  
— Bobby, Eudora HS (May 2018)
