

# Messmore Elementary Bond Updates

## SUMMER 2025

- Create additional layers of security, including door hardware and replacement of select doors, as needed.
- Install new playground equipment.
- Replace playground soft surface areas.

Thanks to the support of the UCS community, Messmore Elementary will undergo a series of improvements funded by the 2023 Safety and Success bond issue.

Safety remains the priority for the bond projects, and projects for this summer includes replacement of door hardware and select doors, as needed.

In addition, we are excited to introduce new playground equipment to ignite our children's imagination! The new equipment is focused on providing different ways to get our students moving and working together as they exercise to make physical activity fun!

The improvements will begin shortly. If weather cooperates, the improvements are scheduled to be completed when we welcome students back for the 2025-26 school year.

Thank you to our voters for making these improvements possible for our students. For more information and photo updates, visit: [www.uticak12.org/messmorebond](http://www.uticak12.org/messmorebond)

## BOARD OF EDUCATION
