June 13, 2025

Dear WTPS Families:

It is hard to believe that today marks the last day of school and GRADUATION DAY! Thank you for being a part of so many amazing end of year activities. I would be remiss if I did not thank our schools' parent teacher organizations, educational foundation, and booster organizations. Your school-based and district efforts create such special memories for our students and staff. I believe that our parental and community-based support in WTPS is unparalleled and I thank you for all that you do.

Congratulations to the Class of 2025! Your hard work, resilience, and spirit have been a constant source of pride for our school district. One of our favorite traditions, the *Senior Walk*, was once again a touching moment as our graduates walked the halls of their former elementary and middle schools, greeted with cheers from students and staff. You can watch the Senior Walk video [here](#). On behalf of WTPS I extend the most heartfelt best wishes to our graduates.

For those students not graduating high school, I just wanted to remind parents that summer assignments for grades 6-12 have already been emailed and they may also be accessed on the individual school websites under the "Academics" tab. Additionally, for all those that are early shoppers, supply lists for the 2025-2026 school year have been posted to school websites.

I wish you all a joyful, safe, and healthy summer. Summer 2025, here we come!

Sincerely,
Tracy Handerhan
Superintendent of Schools
