

Whitesboro Athletics offers some of their most unique opportunities in the winter season! Student-athletes have the opportunity to compete in traditional gymnasiums, bowling alleys and hockey rinks, however they can also hit slopes all over the state, throw shot puts and run races. Enclosed, you will find highlights from the many accomplishments throughout this winter season in celebration of the student-athletes and coaches who made it possible.

We would also like to take this opportunity to thank the many people who get work done behind the scenes to make this season, and every season, possible. Thank you to our transportation department, buildings and grounds department, dedicated custodians and our many workers who make our events fun and enjoyable.

Congratulations to all of our student-athletes and coaches for a memorable winter season!

Sincerely,

Andrew Massoud

Alpine Ski

Alpine ski had an amazing season as a full team of girls and boys. With the full support and hard work of the administration, they were able to attend the Winter Carnival in Lake Placid, where they had two great days of competition with an overnight stay. The team learned so much and made many improvements overall. They will continue to get stronger and grow each year. The team will miss the two seniors Kaelyn and Abrianna, as they were the original members when the team started two years ago.

Kaelyn Barry was ninth overall in the Section and an alternate on the state team, but was able to attend and compete due to someone not being able to attend the state races.

Kaelyn Barry was awarded the Section III Sportsmanship Award at the state races.

Sawyer Dote was an eighth grader who placed 11th in the Section.

Boys Basketball

2024-2025

SEASON SUMMARY

During the 2024-2025 season, the boys basketball team had an overall record of 8-11. It was an up and down season, but the team always had a positive attitude and showed up to practice willing to give it their all. This year's team had the opportunity to play in the Downtown Classic at the Nexus Center over Christmas break. It was truly a great experience for all. A couple of long standing school records were broken this year. Brennan McQueeney broke the single season record for three-pointers made, with 55. Colin Steere broke the record for three-pointers made in a game, with 10.

This year's captain was Mike Hill. We also had an honorary captain every game. The honorary captain was someone who continued to work hard in practice and carried a positive attitude for the days leading up to the game. This group was asked to volunteer their time on Saturday mornings to help first through third graders during Biddy Basketball. Both the varsity players and the campers enjoyed it.

Coach Herthum and Coach Gerhardt would like to thank the two seniors, JJ Roberts and Colin Steere, for all their hard work. Best of luck in the future.

Boys BOWLING

At the beginning of every new season, returning bowlers are asked to step up and fill the spots of graduating seniors. For most of them, it means accepting a new role in the lineup. Every bowler on the roster improved their average this season and have made great progress. The team was very consistent and finished the season with a 7-7 record, which ranked fourth in the TVL. During the postseason, they had a second place finish in the TVL Team Tournament, led by Niko Grossi (715 series and 259 high game of the event), and a fourth place finish in Class B at sectionals, led by Austin Sells (870 four-game series). The TVL Sportsmanship Award shows that the team earned the respect of the other coaches and athletes of the TVL. The team also had a collective GPA of 91.45 to be recognized as Scholar-Athletes.

The team celebrated their Senior Night on January 31 at Vista Lanes during their match against Camden. Whitesboro closed out the regular season with a big 9-2 win over the Blue Devils. Captain Kaidan Fischer led the way with a career high 736 series and season high game of 265.

Seniors this year are Kaidan Fischer, Lucas Zarnoch and Gavyn Burgdoff. Prior to the match, the boys were introduced and they presented their parents with a bouquet of flowers, courtesy of the Whitesboro Bowling Boosters.

Boys Hockey

2024–2025

SEASON SUMMARY

The boys hockey team celebrated a successful season, advancing to the Section III Division 2 semifinals. The team had a seven-game winning streak at midseason, and represented itself well at the season-opening Mohawk Valley High School Hockey Showcase, hosted by Rome Free Academy. Several players scored their first-ever high school hockey goals during the season, and many players contributed to team success.

The team leadership group included captain Memphis Ferguson, Luke Johnson and assistant captains Jax Hall and JP DeSantis. The Hockey Booster Club was highly supportive of the team, in particular by coordinating multiple special events:

- Teacher Appreciation Night on January 3
- Alumni and “Blackout” Night on January 7
- “Amy’s Army” Cancer Awareness Night on February 11
- Two Mite Nights (on January 28 and February 11), where Whitestown Youth Hockey (WYHA) 8U teams were included in the evening’s activities
- Senior Night on January 24

Team members volunteered with WYHA’s Learn to Skate program and acted as “guest referees” in its Mite tournament during the weekend of February 28.

Several members of the team were recognized by Section III:

- First Team All-Stars: Gavin Aceto and Luke Johnson
- Second Team All-Stars: Jax Hall and Jake Hall
- Honorable Mention: Aiden Nofri, Collin Aceto, Marco Benedetto and Drew Witchley

The coaches were also recognized by Section III as Co-Coaching Staff of the Year.

Girls Basketball

2024–2025

SEASON SUMMARY

Girls varsity basketball had a rebuilding year. With only two seniors, they had a group of underclassmen who put in tremendous effort and work to gain skills and experience. The two seniors were tremendous energy givers, who provided a smile and lots of encouragement. The underclassmen, some new and some with experience, were able to improve throughout the season and go through some growing pains. The team is excited for what the future holds.

Team captains this year were three juniors: A'nya Jackson, Maddy Montana and Josie Visalli. They all will be back next year, and the team is looking forward to their leadership for another season. This season, for the first time, the girls basketball team held Teacher Appreciation Night. It took place on January 17 against VVS. Both the junior varsity and varsity players selected a teacher that has had a positive impact on their lives and education. It was a great experience with over 25 teachers being honored.

This year at the girls basketball banquet, there were two winners for the Alivia Paige Moylan Award. This award is in honor of a former student and player who died tragically in an ATV accident. This is the fourth annual presentation of the award. The criteria for this award is a player who is unselfish, a great teammate and maintains high academic standards. This year's winners are junior varsity athlete Salima Yagan and varsity captain Josie Visalli. Congratulations to our winners!

Unified Bowling

2024–2025

SEASON SUMMARY

The team enjoyed their 2025 unified bowling season at Rome Kingpin Lanes with a total of 20 student-athletes and YAC members. This is an opportunity to meet and acquire friendships with other students in the school and in surrounding districts. It gives the athletes pride to be a part of a team, wear a Whitesboro uniform and compete against other schools in the area. The team's regular season record was 5-0. During the culminating activity, the unified bowling team received a second place plaque and each individual was given a second place medal for their efforts. The team is proud to represent Whitesboro and is very fortunate to have unified sports in the school.

On March 11, they went to Vista Lanes and were able to show the administration and staff members at Whitesboro how their skills have improved over the past year. The administration and teachers gave a valiant effort, but the unified bowling team prevailed to remain champions for the fifth consecutive year with a score of 4182-3231 pins knocked down. During the event, pizza and drinks were provided for all.

Thank you to all who participated and good luck to our 10 seniors. You will be missed!

Girls Volleyball

2024–2025

SEASON SUMMARY

The girls volleyball team had a mix of returners and young players (six sophomores and a freshman) for the 2024-25 season. After a 2-3 start, they improved their record to 9-5 before the last week of the season. The team lost the last three games to the top three teams, but each one was a battle. They received a #6 seed and had to travel to #3 seed (and defending Class B champs) CBA of Syracuse. They came out of that match with a 3-1 victory to advance to the semifinals. That victory moved them up to #4 in the power rankings (they were not ranked all season). The team lost in a hard fought match to the eventual champions, RFA. They finished the season 10-9, with a lot of confidence going into next year. Team captains were Adeline Melnick, Erin Howlett, Olivia Maynard and Madison Sheridan.

On December 28, all four teams in the program attended a Program Night. It was a huge success as the girls from the modified teams got to do drills with the varsity team, watch them scrimmage each other and then play in a tournament as they were coached by their varsity and JV “big sisters.”

On January 20, the Whitesboro volleyball program hosted a “Spike Out Cancer” game against Sauquoit Valley. There were over 200 people in attendance as the JV and varsity teams played. The JV and varsity teams both won 3-0, however the results of the matches were not the important part of the night. The Boosters were able to raise over \$2,600 for this event. The money raised was divided up to help two families in our Whitesboro community: Amy Pine (Fortnam), a Whitesboro Alumni and Nicole Siriano, a parent of one of our own volleyball players, who are currently battling cancer. There were over 20 gift baskets, a bike raffle and a serving competition for all in attendance. It was a great night for all involved.

On January 23, the Whitesboro Volleyball team hosted Holland Patent in a significant match at the high school gym, honoring four senior athletes: Madison Sheridan, Olivia Maynard, Erin Howlett, and Adeline Melnick. These captains and role models were celebrated for their leadership and contributions on and off the court. The game drew an energetic crowd, and Whitesboro secured a 3-0 victory against a strong opponent. Thank you to these seniors for their years of commitment and dedication to the sport of volleyball.

Wrestling

2024–2025

SEASON SUMMARY

The Whitesboro wrestling team had a very successful season. The captains for the 2024-25 team were Ryan Burt, Joey Dare and Noah Long. Each were given the unselfish role to lead their wrestling brothers.

The team competed in two invitational tournaments during the year. During their first tournament, at the Phoenix Round Robin, the team finished in third place in a field of 18 teams with four finalists: Ethan Roser taking first and Joey Dare, Noah Long, and Ryan Burt taking second. At the Cazenovia Invitational, the team took home second place out of a field of 16. The team had five in the finals: Nick Puleo, Ethan Roser, Joey Dare, Noah Long and Ryan Burt, with Ethan being the lone champion.

The team also competed in multiple dual meet tournaments. The first was the Baldwinsville duals, and against a field of 10 teams, they placed fourth. Nicholas Puleo went 5-0 that day and was awarded the Most Outstanding Wrestler for Whitesboro. The team also competed in the Mt. Markham Mustang duals. The team wrestled 10 dual meets over two days. They ended up with seven wins and three losses, placing fourth. With Joey Dare going 10-0, he was awarded Whitesboro's MOW. Finally, they competed at the West Genesee Wildcats dual meet tournament, finishing in fourth place. Giovanni Lang was the MOW for Whitesboro, finishing the day at 5-0.

On January 22, the team held its Senior Night against South Lewis. Seniors Gayge Amrhein, Anthony Chicherchia, Ryan Burt, Colin Nelson and Samuel Perras were honored. A week later, junior Joey Dare received his 100th win of his career in a dual meet with CVA.

The team finished with a 15-16 record in dual matches, after a 12-6 start. Hampered by sickness and injuries in late January, the team struggled to keep pace with the success they had in the beginning of the year, but overcame it all to get ready for the sectionals.

In the postseason, the team headed to Fulton to wrestle in the Section III Class A tournament. Ten Whitesboro wrestlers entered Class A, and by the end of the day, nine had qualified for the Section III Division 1 tournament (state qualifiers). The team took fourth place out of a field of nine teams, giving Whitesboro its best placing in five years. The team had three wrestlers in the finals: Ethan Roser (second), Joey Dare (first) and Noah Long (second), with Joey being the lone Class A champion. In the finals, he revenged a lost against a competitor from Watertown, who he had lost to earlier in the season. Others who placed and qualified for sectionals were Giovanni Lang (third), RJ Allen (fourth), Nick Puleo (fourth), Gayge Amrhein (fifth) and Ryan Burt (fifth).

At the Section III tournament, held at the SRC Arena at Onondaga Community College, the team advanced nine wrestlers to wrestle against the best competition in the section. When it was all said and done, the team tied for 10th place out of a field of 18. Five Whitesboro wrestlers were sectional place finishers: Joey Dare (third), Noah Long (fourth), Gio Lang (fifth), Ethan Roser (sixth) and Gayge Amrhein (sixth).
