

Resources for Adult English Language Learners at Great Falls College and Readiness Center

Our program is more than just an English language class. It is an individual success plan tailored to fit your needs and goals.

With us you will:

- Become part of a learning community while improving language skills
- Learn about the rights and responsibilities of U.S. Citizens
- Find out about the naturalization process
- Explore local resources: government agencies, public libraries, local businesses
- Use technology as a tool for workforce needs

We will guide you in your educational journey.
