**East Greenwich Public Schools Announces Patricia Dulac as 2025-2026  
District Teacher of the Year**

**EAST GREENWICH, RI** — East Greenwich Public Schools proudly announces that **Patricia Dulac**, Mathematics Department Chair at East Greenwich High School, has been named the **2025-2026 District Teacher of the Year**.

A distinguished educator and innovative leader, with twenty years of dedicated service to the district, Ms. Dulac upholds the highest standards in teaching, leadership, and promoting student learning and growth. Her inclusive, student-centered approach at East Greenwich High School and Archie R. Cole Middle School fosters a culture of high expectations and steadfast support. She has created an environment where all learners are challenged and empowered to succeed through her unwavering commitment to equity and student success.

Under Ms. Dulac's leadership, Unified academic programming has become a cornerstone of our inclusive mathematics classrooms and learning environments. Her efforts have broadened access and reimaged what excellence and equity look like in secondary mathematics education.

Ms. Dulac's leadership in credit recovery programming has created meaningful and rigorous pathways for students working to regain academic standing. She was also instrumental in developing and implementing Algebra Lab courses, which provide targeted, scaffolded support to students who need additional time to master foundational concepts, laying the groundwork for future success in higher-level math.

As Rhode Island's graduation requirements evolve, Ms. Dulac has proactively led the development of instructional models and course offerings aligned to performance-based expectations, ensuring every student has a pathway to postsecondary readiness.

“Patricia Dulac is an inspiring educator who blends high expectations with deep compassion,” said Interim Superintendent Alexis Meyer. “Her tireless work to build access and belonging in mathematics, while never compromising academic rigor, makes her a shining example of what it
