Strengthen

Our commitment

The RSI program is committed to providing refugee students with the resources, support, and guidance they need to thrive in school and build a sense of belonging in their new community. We foster an inclusive environment, welcoming students from all backgrounds and experiences, and ensuring they feel valued and supported every step of the way.

what we do

RSI, we support refugee students as they adapt to a new educational system and culture. Our mission is to provide the tools, resources, and support they need to succeed while fostering an inclusive environment and building strong partnerships with families, educators, and the community.

Activity Details

Tutoring

Tutoring empowers students to overcome obstacles, achieve their academic goals, and unlock their full potential.

Grade Monitoring

We monitor students' grades to identify those who need the most support, allowing us to provide tailored assistance for each individual.

Advocacy

We actively advocate for our students, ensuring they receive top-notch support and connecting them with the essential services needed for their academic and personal success.

Summer Camps

We offer a variety of summer camps and activities in June and July, thoughtfully designed to promote both academic growth and personal development for our students.

Field trips

We provide cultural and educational experiences that allow our students to explore the world beyond the classroom and learn from experts in their areas of interest.
