UNIQUE PROGRAM FEATURES

Partner with Minot State University

Begin at Briercrest, where you'll gain a spiritual and academic foundation before transferring to Minot State to specialize in your field. Graduate with a BA in Psychology from Briercrest and a BS in Communications Disorders from MSU.

This program is a great option for students who want to help individuals and families affected by communication disorders or learn more about human communication.

Get the training you need to diagnose and treat hearing and speech disorders.

"It's a lot different from when you go to a secular school. You start with prayer: you end with prayer, it's very integrated within your faith, and you can see how it applies to your faith as well as other areas of your life." - Mercy (BA Psychology | MSU Student)

WHAT OUR GRADUATES SAY

A Briercrest Psychology degree opens doors to various careers and jobs. Hear alumni and students describe the workplace preparation they experienced in their Briercrest degrees.

"My Bachelor's in Psychology prepared me for more than just psychology, it prepared me for life. Through the practicality of the classes, the mentorship from professors, and the integration of biblical teaching, I feel equipped to for the workforce and to engage the world."

AVA

College Marketing Coordinator

"My psychology degree served me very well as I have continued my education at the seminary in the Masters of Counselling program. It was not just the knowledge and understanding gained in classes but the ability to think critically about topics and understand them in relation to me, my faith, and the rest of the world."

KONRAD

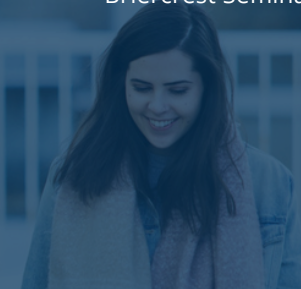

Master of Counselling Student
Briercrest Seminary

"My Bachelors of Arts in Psychology has not only driven my vocational goals in a positive direction but has also taught me so much more about the person that I am in accordance with who God wants me to be."
