School Bus Driver Appreciation Day Monday, May 5

Each day, our drivers are the first and last faces many of our students see. They ensure your children arrive safely to and from school, often braving early mornings, unpredictable weather, and busy roads—all with a warm smile and a watchful eye. Please join us in thanking our bus drivers for the vital role they play in our school community. A kind word, a simple thank-you, or a note of appreciation from you or your child can make a big difference.

We are truly grateful for their unwavering commitment to safety and service.
